Driver, 41, Injured In Chase Early Today

3 Parked Cars Struck On Benton St.; Speed Tops 75 Miles an Hour

William F. Garrett, 41, of St. Louis, was injured during a high-speed chase through downtown by police when his auto struck three parked cars in the 2200 block of Benton street at 1:45 a.m. today. An ambulance, wrecker and the fire department rescue squad were sent to the scene.

He was admitted to St. Elizabeth Hospital with serious injuries to his chest, mouth and knees and was placed in the intensive care unit.

He was chased at speeds up to 75 miles per hour before he struck the autos of Ada Greathouse and Frankie Greathouse, both of 2237 Benton street, and Wesley Lehmkuhl, 2255 Benton street.

Garrett was charged with reckless driving and attempting to elude a police officer. In eight of 23 other crashes occurring in and near the Quad-Cities this week, 10 personal injuries were reported.

Woman Hit by Car

Hazel Cline, 58, of 4801 Maryville road, was injured when she was crossing the street in the 2600 block of Pontoon road and was struck by an auto driven by Jerome L. Hackethal, Glen Carbon, at 5:45 p.m. Monday.

She was admitted to St. Elizabeth Hospital with a hematoma to the forehead, abrasions and pains in the left arm and leg. X-rays were taken. Hackethal, who said he did not see in time, was charged with careless driving.

Three Persons Injured

Three persons were injured when an auto driven by Geraldine Ann Todt, 28, of 3102 Wayne avenue, and Richard Harper, 59, of 2310 Iowa street, collided Monday at Myrtle and St. Clair avenues.

Mrs. Todt was admitted to St. Elizabeth Hospital after x-rays were taken of the left shoulder and left knee. She also suffered a chin laceration. Randall Todt, four, same address, received chest x-rays and was released. Harper, a complaint of pains, was charged with a right-of-way violation.

Boy Injured

Robert W. Ellison, 15 months old, son of Jesse Ellison, Glen Carbon, was injured when his auto in which he was riding, driven by Anna L. Ellison, Glen Carbon, collided with another driven by Victor A. Burdge, 3109 Willow avenue, at 9:45 p.m. Wednesday at Myrtle and St. Clair avenues.

He was admitted to St. Elizabeth Hospital with hematomas and abrasions to the forehead and left knee. X-rays were taken.

Duane Teator, 17, of 1531 Lindell Blvd., was injured about 11 p.m. Wednesday when his auto, stopped for a left turn, was struck in the rear by a car driven by Glenn L. Bowman, 4009 Kirkpatrick avenue, who said he was unable to stop in time at 3018 Madison avenue. Teator was admitted to St. Elizabeth Hospital.

City Clean Up Crews Move Into Downtown Area Today

Granite City street department clean-up crews expected to move into the downtown Granite City section today and then continue northward to Wilson Park in their two-week program of trash and rubbish collections being made in connection with the city's annual Clean-Up, Paint-Up, Fix-Up campaign.

The campaign, sponsored by the Tri-Cities Chamber of Commerce, got under way throughout the Quad-City area Monday with many industrial and business firms clean-up and paint-up activities scheduled to be undertaken throughout the two weeks of the drive which is to end Saturday, May 18.

To encourage clean-up activities by individual homeowners, the city street department is using eight trucks, daily, manned by 14 street department workers, to pick up trash, rubbish and castoffs cleaned out of Granite City homes. A similar program is being conducted by Venice and Madison where regular semi-weekly pickup schedules are being observed, but with a greater number of trucks and workers being used to handle the increased volume of trash pickups.

Haul 87 Loads William Warfield, superintendent of streets, said that until quitting time yesterday evening street department trucks picked up 87 truck loads of trash and rubbish in West Granite on Monday and part of Tuesday, and in the area between the railroad tracks and Madison avenue from the southerly city limits to 18th street.

Pick-up crews will work north of 18th street today, progressing through the business district northward as far as Wilson Park, including Lueders Park, and castoffs cleaned out of Granite City homes. A similar program is being conducted by Venice and Madison where regular semi-weekly pickup schedules are being observed, but with a greater number of trucks and workers being used to handle the increased volume of trash pickups.

Work is expected to get underway within two weeks, following pre-construction conferences between the contractor and state highway officials.

The contract went to Sangamo Construction Co. of Springfield on an overall bid of \$2,603,668. The bid offer was \$803,968 over the state's cost estimate which had been estimated at \$1.8 millions in its 1968 work schedule.

Robert Kronst, chief engineer of the Illinois highway district office at French Village, said grading work on the stretch to be paved is practically finished, although some grading for new safety features still is to be done by the contractor, Hoffken Bros. Contracting Co. of Belleville.

Kronst said that barring unforeseen circumstances, the paving work on Route 151 "hopefully will be completed by the end of this year."

While work is being done on the paving, the highway department expects to clear up all right-of-way problems in the area between Niedringhaus avenue in Granite City and Venice, where the highway is to connect with the proposed new Venice underpass on Broadway at Main street. Grading work on that stretch is expected to be included in the highway department work schedule next year, with paving work to follow in 1970.

Glenn Bartling of the Belleville Sinclair service station, 211 avenue and Nameoki road, reported at 5:35 p.m. Monday that his 1963 auto was looted while it was parked during the night at the station.

Taken were the seats, front and rear carpets, oil gauge and amp meter, an expensive gear shift knob, a jack, a spare tire and two stereo speakers.

Office Burglary Burglars stole \$4 from a ticket machine in the office at the Lybarger Supply Co., 19th and Adams streets, it was reported Monday. Twenty-three tickets were found stuffed in a rest room. A soda cap was taken from a bottle still in the machine and the soda was emptied. Entry was gained by sliding open a large door of an unlocked garage and by forcing a door latch.

Charles Lewis, 1013 Madison street, was arrested Monday.

Nonn Honored for 25 Years as Alderman

Honors were bestowed upon Walter Nonn, senior member of the Granite City council, who observed his 25th anniversary as Fifth Ward alderman Monday night.

His wife, Marge, and a group of friends were in the council room, and witnessed the ceremony which opened the council meeting as Mayor Partney called Alderman Nonn to the front.

While Nonn was anticipating "some sort of ceremony," he was completely overwhelmed by the number of gifts and remembrances.

They included an engraved wrist watch from the mayor and council members; a gavel from his daughter, Diane, who is a senior at Illinois State University, Normal, and is teaching at Decatur; a plant from his wife and a key to the city.

Nonn, who is 54, resides at 2711 Cayuga street and is a native Granite Cityan. He and his wife have three children: a son, Walter, 18, and two daughters, Julie, 13, and he has been employed at the Standard Oil Co. refinery at Wood River for 20 years. He presently is a water treator.

He also has been a Democratic precinct committeeman for the county board of supervisors-30 years, currently in Precinct 29, has served four years on the county board of review.

Route 151 Paving Contract Awarded

Work to Begin in Two Weeks; Low Bid Total Is Over Estimate

Contract for paving 3.79 miles of Federal Aid Route 151 (the Great River Road) from north of Pontoon road to Niedringhaus avenue in Granite City was awarded by the Illinois Division of Highways at Springfield Tuesday.

Work is expected to get underway within two weeks, following pre-construction conferences between the contractor and state highway officials.

The contract went to Sangamo Construction Co. of Springfield on an overall bid of \$2,603,668. The bid offer was \$803,968 over the state's cost estimate which had been estimated at \$1.8 millions in its 1968 work schedule.

CONCRETE POURING progressing rapidly along Nameoki road, passing Pershing Blvd. Wednesday afternoon, and if good weather holds out, new pavement in the widening project should reach Washington avenue by Tuesday evening, the A. H. Seebold Co. said. At the current rate, the project may be completed by July or Aug. 1. A hump at Victory drive is to be removed.

GC Depot Plans Programs

'Armed Forces Week' to Begin Saturday

An opportunity to inspect some of the U. S. Army's latest equipment—most of it counterpart to that currently in use in Vietnam—will be given Quad-Cityans beginning Monday. The special week-long exhibition is to be located between the main fire station and post office in the 2300 block of Madison avenue.

Provided by the Granite City Army Depot and manned by Depot personnel, the equipment display is part of the 1968 Armed Forces Week observance which actually starts Saturday and continues through Sunday.

Public events include two guided bus tours daily at 9:30 a.m. and 2 p.m. through depot, also starting Monday, and a program on Armed Forces Day, Saturday, May 18, featuring a parade, softball and water polo contests, school and Shrine band performances, a motorcycle riding demonstration and a helicopter fly-over.

Many Quad-City service clubs, veterans organizations and civic groups will hold regular meetings or special sessions at the GCAD Officers Club during Armed Forces Week, while the initial round of a golf tournament will be held earlier this week at the Depot golf course, with the final rounds scheduled for Saturday and Sunday.

Next Thursday, representatives of local business firms and industrial concerns will host Depot enlisted personnel at the "Fourth Annual Military Recognition Dinner," held in the River Room at SIU-SV campus.

Selected Enlisted Men Enlisted men attending the banquet are selected for superior service to their country by a Military Board of Review. The 6:30 p.m. affair, sponsored by the Tri-Cities Chamber of Commerce and arranged by the C. of C.'s Military Affairs Committee, will spotlight as guest speaker, Randall Robertson, local lawyer and a War II veteran.

Activities open to the public on the Depot grounds Saturday, morning, May 18, include a softball game featuring military personnel against a team of civilians.

GC to Buy Special Air Monitoring Equipment

\$6000 Expenditure Ok'd; Seeks to Hire Added Technical Staff

Granite City council members voted unanimously Monday night for purchase of monitoring equipment recommended last week by the City Air Pollution Control Board.

The board's technical secretary, Prof. Erwin Hoelscher, said the equipment is needed to set up an adequate monitoring network in the city to supplement the mobile unit placed in operation here Wednesday by the State Air Pollution Control Board.

While the technical secretary is to submit cost estimates to the council on the special equipment, he was given authority to place painted panels at strategic locations by gaining data.

Expenditures for the equipment will be limited to \$6000 which was described as an adequate amount to get the proper instruments in place to determine if there is compliance with the city's clean air law.

Painted Panels Tests

The painted panels, Prof. Hoelscher explained, are needed to get samples and determine amounts of air pollution in areas where building and fences already are covered with residues.

In addition, the council gave the City Air Pollution Board authority to employ a replacement for Hoelscher, a Washington University professor, while he is on vacation during the summer.

The City Air Pollution Board also is recommending employment of a qualified technical staff to operate the monitoring network.

In making the recommendations to the council, Alderman Boyd, chairman of the council's Air Pollution committee, read a letter from Henry Biehn, chairman of the city clean air board, who set forth the needs for proper enforcement of the city law, which is in the process of being revised.

Hundreds of Complaints Biehnick, in the letter, stated the hundreds of complaints against the city began last fall and continued in January and February and into April. He added that the dump area for the red oxide dust used by Granite City Steel Co. was inspected May 1 and there seemed to be no problem there. He advised the steel firm of the inspection on Monday and requested that the dump area be inspected on the basic oxygen furnaces.

He also presented to the council Monday night a list of 35 complaints received by the city clean air board. The areas were 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, 33rd, 34th, 35th, 36th, 37th, 38th, 39th, 40th, 41st, 42nd, 43rd, 44th, 45th, 46th, 47th, 48th, 49th, 50th, 51st, 52nd, 53rd, 54th, 55th, 56th, 57th, 58th, 59th, 60th, 61st, 62nd, 63rd, 64th, 65th, 66th, 67th, 68th, 69th, 70th, 71st, 72nd, 73rd, 74th, 75th, 76th, 77th, 78th, 79th, 80th, 81st, 82nd, 83rd, 84th, 85th, 86th, 87th, 88th, 89th, 90th, 91st, 92nd, 93rd, 94th, 95th, 96th, 97th, 98th, 99th, 100th, 101st, 102nd, 103rd, 104th, 105th, 106th, 107th, 108th, 109th, 110th, 111th, 112th, 113th, 114th, 115th, 116th, 117th, 118th, 119th, 120th, 121st, 122nd, 123rd, 124th, 125th, 126th, 127th, 128th, 129th, 130th, 131st, 132nd, 133rd, 134th, 135th, 136th, 137th, 138th, 139th, 140th, 141st, 142nd, 143rd, 144th, 145th, 146th, 147th, 148th, 149th, 150th, 151st, 152nd, 153rd, 154th, 155th, 156th, 157th, 158th, 159th, 160th, 161st, 162nd, 163rd, 164th, 165th, 166th, 167th, 168th, 169th, 170th, 171st, 172nd, 173rd, 174th, 175th, 176th, 177th, 178th, 179th, 180th, 181st, 182nd, 183rd, 184th, 185th, 186th, 187th, 188th, 189th, 190th, 191st, 192nd, 193rd, 194th, 195th, 196th, 197th, 198th, 199th, 200th, 201st, 202nd, 203rd, 204th, 205th, 206th, 207th, 208th, 209th, 210th, 211st, 212nd, 213th, 214th, 215th, 216th, 217th, 218th, 219th, 220th, 221st, 222nd, 223rd, 224th, 225th, 226th, 227th, 228th, 229th, 230th, 231st, 232nd, 233rd, 234th, 235th, 236th, 237th, 238th, 239th, 240th, 241st, 242nd, 243rd, 244th, 245th, 246th, 247th, 248th, 249th, 250th, 251st, 252nd, 253rd, 254th, 255th, 256th, 257th, 258th, 259th, 260th, 261st, 262nd, 263rd, 264th, 265th, 266th, 267th, 268th, 269th, 270th, 271st, 272nd, 273rd, 274th, 275th, 276th, 277th, 278th, 279th, 280th, 281st, 282nd, 283rd, 284th, 285th, 286th, 287th, 288th, 289th, 290th, 291st, 292nd, 293rd, 294th, 295th, 296th, 297th, 298th, 299th, 300th, 301st, 302nd, 303rd, 304th, 305th, 306th, 307th, 308th, 309th, 310th, 311st, 312nd, 313th, 314th, 315th, 316th, 317th, 318th, 319th, 320th, 321st, 322nd, 323rd, 324th, 325th, 326th, 327th, 328th, 329th, 330th, 331st, 332nd, 333rd, 334th, 335th, 336th, 337th, 338th, 339th, 340th, 341st, 342nd, 343rd, 344th, 345th, 346th, 347th, 348th, 349th, 350th, 351st, 352nd, 353rd, 354th, 355th, 356th, 357th, 358th, 359th, 360th, 361st, 362nd, 363rd, 364th, 365th, 366th,

Local Jaycees Win Awards During State Convention

Granite City Jaycees attending the annual SPOKE Award convention in Chicago which concluded earlier this week, actively participated in a hotly-contested campaign to elect new state president, and witnessed three local men capture second place honors in statewide competition.

Jim Jeffries, president of the chapter, today said the local delegation accorded its entire support to Ronald Rieck of Pekin, who was named to the Jaycees' top state office over three other candidates.

Pre-election campaign tactics initiated by the local group, included a "Support Rieck" performance by two Granite Cityans, Gary Davis and Harlan Musko, attired in eight-foot tall clown outfits. Jeffries reported, adding that the duo created quite a sensation at the convention.

Representing the local Jaycees chapter and district were Ronald Pennell, a Granite City high school teacher, whose oration, based on an excerpt from the Jaycee Creed, "Service to Humanity," won runner-up honors in the state "Speak-Up" contest, and Richard Dawdy of the Granite City Trust & Savings Bank, who was judged second among state contestants for the annual SPOKE Award.

Only six points, out of a possible 1000-point total, separated the first place winner and Dawdy for the top trophy, awarded to the outstanding first-year Jaycee member.

Alfred J. Wilson, principal of Lake elementary school, who was voted "Outstanding Young Educator" by the local Jaycee chapter, also placed second in the state finals.

Adding to local honors was selection of Boyd Presley as one of four outstanding vice-presidents in the state Jaycee organization. The local man and his three companion were chosen from a field of 36 state vice-presidential candidates.

The three-day convention, held in Chicago's Sherman House, was highlighted with the President's Ball and reception.

Others attending from here were: Mr. and Mrs. David, Mr. and Mrs. Bruno Domitrovich, Warren Hoff, Mr. and Mrs. Presley, Mr. and Mrs. Jeffries, Mr. and Mrs. Paul Freeman, Mr. and Mrs. Raymond Lake, Gary Correll, Mr. and Mrs. Dave Favier and Mr. and Mrs. William McAmish.

terday on 23rd street at Madison avenue near the main fire station. It is the one that was to have been set up at 22nd and Adams streets late last summer.

Prof. Hoelscher noted that while the state's mobile unit does measure particulate in the air and monitors other materials, that the network planned by the city will provide equipment needed to determine compliance with all phases of the clean air law.

Board to Meet Monday

The city's clean air board is to meet in another session at 7:30 p.m. next Monday to consider its new budget and to review industry abatement programs submitted April 15, as well as determine the status of the red oxide problem and Granite City Steel and study complaints concerning Lipsett Steel and Union Star.

In addition, the state clean air board is to conduct a hearing at 10 a.m. on Thursday, May 23, in the council room at the city hall in Granite City.

Mayor Partney announced the appointment of Mrs. Shirley Long, of 41 Villa drive, as secretary for the clean air board, replacing Mrs. Kitty Kulenkamp, who is moving out of the city.

Airman Lawrence Jackson Honored at Ft. Fisher

Airman First Class Lawrence G. Jackson, son of Mrs. Lou E. Jackson, 1513 Market street, Madison, has been named Outstanding Airman of the Month in his unit at Ft. Fisher Air Force Station, N. C.

Airman Jackson, a radar repairman, was selected for his exemplary conduct and duty performance. He is a member of the Aerospace Defense Com-

Great Lakes Graduate

Seaman Apprentice David K. Strotheide, USNR, 18, son of Mr. and Mrs. Sidney I. Strotheide, 2994 Hodges avenue, has graduated from nine weeks of Navy basic training at the Naval Training Center, Great Lakes, Ill.

The airman attended Madison high school before entering the Air Force.

Mrs. Julia Kovar, 69, Dies; Ill Two Years

Julia Kovar, 69, of 2316 Winters drive, died of a heart ailment at 9:50 a.m. Tuesday at St. Elizabeth Hospital. She had been ill two years and hospitalized two weeks.

Born in Czechoslovakia, Mrs. Kovar had resided in Granite City the past 45 years. She was a member of St. John Lutheran Church and the United Lutheran Society. Her husband, John, died May 4, 1953.

Survivors include two sons, Joseph W. Kovar of Granite City and John S. Kovar of Collinsville; one daughter, Mrs. Wayne (Helen) Ashburn of Granite City; one brother, Steve Janci, and a sister, Mrs. John (Elizabeth) Schetz, both of Chicago; and four grandchildren.

Funeral arrangements are given in today's obituary column.

fielded by the C. of C. 10 a.m., and a helicopter fly-over and demonstration by units from the U. S. Army Aviation Command, based at Lambert Field, St. Louis, at 11:30 a.m.

At 1 p.m. Saturday, May 18, the public may witness a water polo match, pitting teams from the Belleville and Alton VMCA's, followed by performances by the Plaza Indians marching unit at 1:35 p.m.; the Aina Shrine Temple Oriental Band at 2 p.m.; and a demonstration of complex maneuvers by the Aina Compact Unit at 2:30 p.m.

The Madison high school band will perform at 3 p.m. and an awards presentation ceremony is scheduled at the reviewing stand at 4 p.m.

Rides aboard the Depot train and jeeps may be taken throughout the day and the public may view a variety of displays and demonstrations.

At the noon hour Saturday, representatives of various Depot directorates and other officials will gather at the Officers Club for a luncheon and queen judging contest and coronation.

Those chosen to serve as judges for the annual event, include Clifton E. Blankenship, John P. Drees and Howard Kaseberg.

Activities will conclude with a Military Ball for invited guests at 8 p.m. May 18, also at the Officers Club.

Visitors may inspect the equipment display on Madison avenue starting at 10 a.m. Monday. The exhibit will be open daily through May 18, between 10 a.m. and 8 p.m.

Among the items to be exhibited is the LARC V, an all-aluminum amphibian used to carry cargo from an off-shore supply ship to a beach or inland area.

The LARC V, readily adaptable to both water and land operations, has a maximum load capacity of 10,000 pounds. The vehicle, which normally is operated by a two-man crew, can achieve a land speed of 30 mph and 10 mph on water.

Other equipment includes a MOFAB, a mobile floating assault bridge consisting of a self-propelled amphibious unit that can be rapidly linked together to form a continuous bridge, permitting a high volume of equipment and personnel to cross streams.

An Amored Bridge Launcher, designed to provide a transportable bridge that is launched and retrieved by the operator from inside the tank, also may be inspected. The vehicle ex-

pands a bridge in a single section reaching 63-feet in length and 12 ft. 6 inches wide, enabling crossing of such obstacles as anti-tank ditches, road craters, streams, canals, railroad cuts and hindrances frequently found in combat zones.

The widely-used Roth Teraine Crane, mounted on a truck, is used with a 30-foot crane boom. The vehicle is equipped with a bull-dozers and earth moving blade and is capable of moving over sandy beaches, deep snow and mud where hardstand surfaces are not always available and where flotation and traction are required.

Other items are a jeep-mounted searchlight and heavy construction equipment.

Mr. Joseph Wins First Place Trophy

Joseph Stemmer was notified Tuesday that he has won first place in the Silver Trophy Hair Cutting competition, held at the Mississippi Valley Beauty Fashion convention held over the week end in St. Louis. His model, Mrs. Carolyn Gilbert, is a graduate of his school.
He is the owner of Joseph's Hair Fashions, 2900 Grand street, and at 2088 Grand avenue, Joseph's Debra Wig and Cosmetic Studio, 2036 Grand avenue, and Joseph's School of Hair Fashions, 2100 Delmar avenue.
More than 10,000 hairdressers attended the convention where the hair shaping contest was the highlight of the competition. As this is the most difficult to judge, the judging was done under the National Hairdresser and Cosmetologist Official H. F. Committee Standards.
Mr. Joseph is the first person in this area to win the first place trophy, which he received on Wednesday afternoon.

HONOR MISS PRATT,
JUNE BRIDE-TO-BE

Miss Donna Pratt, who will be a June bride, was honored Sunday at a shower party given by her bridesmaids at the Nameoki United Methodist Church.
The hostesses were Mrs. Bonnie Golden, Miss Kathy Pratt and Miss Donna Smith.
Yellow and white, the colors to be used at the wedding, predominated in the arrangements and a doll bride formed the centerpiece for the table.
Prizes in the games were won by Mrs. Linda Ruediger, Mrs. Valerie Goss, Mrs. Wanda Mack, Mrs. Martha Ruckel and Misses Sharon Brewer and Mildred Neighbors. Fourteen attended.
Miss Pratt will be married June 22 at Nameoki United Methodist Church to Richard Jones.

GC Tax Books Delivered to City Treasurer

Granite City township tax books for the 1967 year were delivered by the county clerk's office yesterday to E. R. "Pat" Rich, city treasurer, who said work will begin immediately on preparation of tax bills to be collected by the city.

Rich said he plans to employ extra help to reduce the time required for typing tax bills so that tax collections may get under way in Granite City June 17.

Completion of the tax books by the county clerks office was accomplished even sooner than Miss Eulalia Hotz, county clerk, had predicted. She said last week that another ten days to two weeks would be required.

Earlier Collection
If it is able to complete preparation of tax bills prior to the June 17 date, tax collections will get under way a week earlier than they did in 1967, despite a lengthy delay in completion of assessment books by the Board of Review this year.

In completion of the tax books, a factor that would delay tax collections in nearly all townships this summer.

Miss Hotz, however, worked tax crews longer hours and on weekends to catch up much of the delay in completion of the assessment books. The county clerk's office is unable to begin extension of taxes until assessment books are certified to her office by the Board of Review.

She also announced completion of tax books for Chouteau township yesterday and said that tax books for Nameoki and Venice townships will be delivered within a few days.

Rich said he expects to begin mailing tax bills the first week of June, although the availability of space for the tax billing work is presenting a problem.

Problem Over Work Space
The city council Monday night authorized use of the fire station for the crew of typists to work on the bills.

despite objections raised by Alderman Fry, chairman of the Fire committee, who said firemen find the tax billing staff an inconvenience.

Fry suggested use of the civil defense building on 10th street, but Alderman Bartosiek, chairman of the City Buildings committee, said the main station is more fire proof than the old fire house. "We'd have to haul the books back and forth every day, if we used the civil defense building," Bartosiek said.

Objections by firemen are that the work space on the second floor used last year by the women typing the bills is between their quarters and the shower room.

Treasurer Rich said there is no suitable, adequate space in the city hall for the 14 long tables needed for the typists. Fry added there would be protests from firemen's wives, but the council voted 9-6-4 to use the new station.

The railroad tax books for the 1967 tax year were completed Tuesday and delivered to County Treasurer John Masara. Railroad taxes are not collected by township collectors, but are billed by the county treasurer to whom railroads make tax payments.

Bill is \$686,700
Miss Hotz said the 13 rail lines operating in Madison county will pay virtually the same tax bill this year that they did in 1967—a total of \$686,700. Last year the total bill for all 13 lines was \$686,174.

Railroad tax extensions collectible this year show \$442,440 of the amount will go to school districts and \$63,724 will be distributed to cities and villages. The county will receive \$2,333 of the amount, and sanitary districts will get \$30,233. Park districts will receive \$891 and high school districts will get \$15,757. Road and bridge taxes will amount to \$30,130 and townships will get \$22,146.

Work Progress Varies
Warfield explained that it was impossible to establish a day-to-day time table because the number and volume of trash pickups varied so greatly in some areas that work progressed more rapidly in some districts and slower in others.

Where alleys are not located behind homes, it is necessary for householders to place trash and rubbish on curbs in front of their homes, he pointed out. All such deposits will be picked up at some time during the drive, he said.

The C. of C. campaign includes a number of specific industrial and business firm clean up and paint up programs planned by the firms, individual household "spruce up" programs inspired by the campaign through distribution of substantial quantities of pamphlets, leaflets and brochures.

Estates, Warfield said. Complete coverage of this area will require the remainder of today and all of tomorrow, Warfield added.

Beginning next Monday street crews will begin trash pickups in East Granite and Nameoki areas, which will include the area from the southerly to the northerly city limits east of Madison avenue, Warfield said.

All of next week will be devoted to pick-up of trash and its disposal in this area, completing the department's special program.

County Holds Up Collection of \$100 Hauler Fee

Enforcement of a \$100 license fee on out-of-state trucks who dump trash and rubbish in Madison County landfills was being withheld today under an agreement by which Madison county hopes to avoid an injunction that would cover a greater scope of its activity.

The Madison County Sanitation committee of the county board of supervisors agreed to hold up assessment of the fee for one week in a meeting with William Kinder, a Madison County attorney, and Dick Mudge Jr., counsel for a number of Missouri haulers and MAL Landfill of Chouteau township.

Mudge last week filed a lawsuit on behalf of the haulers and the landfill, challenging the county's legal authority to establish different fees for Illinois and Missouri dumpers. He said injunction proceedings were filed along with the lawsuit, the county would have been prevented from licensing trucks, regardless of whether they were from Illinois or Missouri.

County inspectors will continue to collect the \$100 fee from Illinois trucks, and will continue to inspect out-of-state trucks, but they will not charge the \$100 out-of-state license pending disposition of the lawsuit.

Mudge warned the sanitation committee that if it persisted in charging the \$100 license without a court decision, the county might be held liable if MAL was forced out of business. According to Mudge, he had been told MAL operators that some customers would not patronize the MAL landfill if the \$100 fee was upheld, and several others would not return even if the fee is dropped to \$59.

Area Birth Rate Continues Rise as Deaths Decrease

A total of 86 births in the Quad-City area during April continued the increased birth rate thus far this year, while the number of deaths in the area continued a decline, according to a vital statistics report for last month by Homer Pendleton, city clerk of Granite City.

Pendleton reported a total of 42 deaths in the area during April along with three stillbirths.

The 86 April births were an increase of 23 over the 58 reported in April a year ago, while the 42 deaths showed a decrease of 11 below the 53 reported in April, 1967. Two stillbirths were reported in April a year ago compared to the three last month.

Births during last month were an increase of only three over the 83 reported in the previous month of March and the 42 deaths an increase of ten above the 32 reported in March.

April statistics brought to 337 the total number of births during the four months of this year, an increase of 73 above 264 reported for the same period of 1967. The 42 deaths during April brought to 155 the total number of deaths for the

four-month period this year, a decline of 25 below the 180 occurring in the same four-month period of 1967.

The report showed a total of four stillbirths thus far this year, compared to two for the four-month period a year ago.

With the exception of January, monthly statistics have shown a steady increase in the number of births in the Quad-City area. There were 84 births in January this year, identical to the same number as in January 1967. But in February there were 84 compared to 61 in February, 1967. In March there were 83, up 22 over the 61 of 1967, when 61 births occurred.

Forty-two deaths were reported in January this year, down 16 from the 58 reported in the same month of 1967. In February, 39 deaths were reported, a rise of nine over the 30 of February 1967. Thirty-two deaths occurred in March, a drop of ten below the 42 of March, 1967.

Stillbirths this year included one in January and three last month, with none in February or March. Last year there was one each in January and February, none in March or April.

Lt. Gen. Andrew J. Goodpaster, a native Granite Cityan recently nominated a full general and appointed Deputy Commander of U. S. Forces in Vietnam is a member of Avertin Harriman five-man U. S. delegation scheduled to open peace talks with the North Vietnamese in Paris tomorrow.

Mrs. Teresa Goodpaster of Collinsville, mother of Goodpaster and a former Granite Cityan, said this morning her son called from Washington last night to tell her goodbye before his departure for Paris, but that she was not at liberty to discuss any of his plans.

Gen. Goodpaster will represent the military interest on the peace delegation, as a former staff director to the Joint Chiefs of Staff, and as a former NATO staff officer and White House aide under President Eisenhower.

Jr. High Level Sex Education Program

An effort to bridge a communications gap that exists between most parents and children on the subject of sex is the objective of the second annual "Sex Education Seminar" to be presented Wednesday and Thursday evenings at the YMCA.

The program is geared for seventh through ninth grade youngsters and their parents. Separate sessions for mothers-daughters on Wednesday evening and fathers-sons on Thursday will be conducted by Dr. Felicia Koch and Dr. W. W. Bowers. Each seminar will run from 7 to 10 p.m. in the "Y" auditorium.

Other professional people will advise parents in providing counsel and advice for their child, recognizing that the parent is the most important teacher of their child's attitudes toward life, especially in the areas of health, sex and social relationship. Marvin Van Metre, YMCA adult program director said today.

Parent-child couples may register through Monday, by calling the "Y" at 876-7200. Registration fee for the seminar is \$2.50 per couple, or \$2 for YMCA members, Van Metre announced.

GC 3rd in Loop Golf Meet Seeks 1st in District Friday

The Granite City high school golf team will be one of 326 downstate and suburban high schools entering Illinois High School Association district golf competition Friday at 22 locations. The Warriors will play at 8 a.m. at the Tamarac golf course in O'Fallon.

Coach Harry Lane's Warriors, who placed third in the Southwestern Conference meet Monday, are regarded as capable of making their best district showing of the last five years tomorrow. They have three players who were in the district last year—Chip Green, Dan Jenkins and Tom Carmody.

This year, the Warriors will be represented by this trio plus Ron Sheppard, Herman Schermer, Tim Schwendeman and Earl Anderson. The best four scores will be counted.

The Belleville West Maroons have won the tournament for the last four years and are favorites to repeat this season. The Maroons include Bob Davis and Tony Both, who went to the state golf tournament last year.

Veteran Alton Quartet
The Alton Red Birds, also capable of upsetting the Maroons, have four back who competed in the district last year but did not qualify for the state meet.

High schools which will be competing in this year's district tournament include Belleville East, Bethalto City Memorial, Carlyle, Collinsville, East St. Louis Assumption, Edwardsville, Lebanon, Marissa, O'Fallon, Pinckneyville, Trenton, Westland and Wood River.

From each of the district centers, the winning team and two individuals who place first and second will advance to the state finals at the University of Illinois.

nois on May 17-18. The Chicago Public Schools Athletic Association will qualify its two best golfers and its best team for the state.

New Trier high school of Winnetka won the 1967 state golf championship and Glenbard West of Glen Ellyn was runner-up. Individual honors went to Robert Pegararo of Boylan high school of Rockford, first, and Pat Keen of Tuscola high school.

Maroons Win League Meet
In the Southwestern Conference tournament, the lowest four Warrior scores totaled 344 strokes on the par-70 Arlington golf course Monday.

Belleville West won the tournament with a score of 322, with the Alton Red Birds a close second with 325. Collinsville had 349, Edwardsville 353 and Wood River 372.

Coach Lane said, "These were the worst scores we have had all season. It's a shame that if

had to happen in the conference tournament, but now we have our sights set on the district meet."

"We'd like another shot at Alton and Belleville West. We beat the Maroons once this year."

Warrior scores were Jenkins 84, Schwendeman 86, Green 87, Carmody 87, Sheppard 89, Schermer 90 and Anderson 97.

The Warriors golf squad increased its season mark to 12-4 Tuesday afternoon at Lebanon by winning 168-175.

The Warriors have also placed second in the GCHS tournament, third in the Southwestern Conference tournament and seventh in the Quincy meet.

Green, getting the only birdie on the team, shot a 40 on the par-35 Country Club course Tuesday. Jenkins shot 41, Schwendeman 43, Sheppard 44, Larry Knox 44, Earl Anderson 46, David Anderson 50 and Steve Brown 50.

First-Place Inter-City Squads to Collide Here

The East Alton Machinists baseball team will be at Granite City for the second straight Sunday to play a 2:30 p.m. game this weekend against Mercer's in the Southwestern Illinois Inter-City Baseball League.

Minists overpowered Granite City Steel Credit Union 12-6. Credit Union will be the team Sunday to play against the Pocahontas Braves, a team that defeated Mercer 3-2 last Sunday. Mercer, East Alton and Pocahontas share first place in the Blue Division.

Other games find unbeaten Collinsville Mollitor Motors at Troy's Moonlight diamond and East St. Louis' Polish-American War Veterans invading Maryville to play the Red Sox.

Wildness by Prather
Klippers in 22-5 Loss
Inability to get the ball across the plate, combined with numerous errors, proved too much to overcome Monday afternoon at the Prather baseball diamond as the Chiefs lost to Edwardsville 22-5.

John Ireland, Wally Holder, Steve Morse and Bill Parks shared the pitching duties. Ireland had the best day at bat with a triple to drive in three runs.

Jim Becker started, going three innings before being relieved by Gary Simpson. Charles Frizzell pitched the last three innings.

Jim Don was the winning pitcher, allowing only four Warrior hits.

Unearned Runs Defeat Baseball Warriors, 12-2

Giving up 11 unearned runs to the Collinsville Kahoks baseball team Monday afternoon, the Granite City high school Warriors lost 12-2 in Southwestern Conference action held at the Kahoks' field. The game was switched from Granite City because of a switch in the site of the first game between the two clubs.

Collinsville scored two runs in the first inning, nine in the third and one in the fourth to wrap it up early.

Collinsville scored twice in the sixth inning on singles by Gary Simpson, Roger Belshie and Mike Dochowat, aided by a walk and an error.

Jim Becker started, going three innings before being relieved by Gary Simpson. Charles Frizzell pitched the last three innings.

Jim Don was the winning pitcher, allowing only four Warrior hits.

CHARLES FARRINGTON

Charles Farrington
New Professional at
Arlington Golf Club

Charles Farrington, a native of Kokomo, Ind., has been hired as the new golf pro at nearby Arlington golf course, replacing Howard Popham, who took a job at a state driving range.

Farrington, a 42-year-old bachelor, came to Arlington from the Broadmoor Country Club, Indianapolis, where he was the pro for a little over a year. Before that, he was golf pro at the French Lick Country Club.

He attended high school in his home town, and while there lettered in golf and basketball. He was on a basketball team that went to the state finals in his senior year.

After completing his schooling, he won the North Central Golf Title in 1964-65, was state amateur runner up in 1967, and won the Evansville, Ind., open golf tournament in 1961.

He has played for four years in the Indiana State Clair County Club open.

1-0 League Win for MHS

Don Bunk pitched an eight-inning three-hitter against Dupo here Monday afternoon as the Trojans scored one run in the bottom of the eighth inning to beat the Tigers 1-0 in Midwestern Conference action.

Jim Scott tripped with one man out and Dale Clinton singled to account for the winning run for Madison high school.

On two earlier occasions, the Trojans loaded the bases. They also placed runners on second and third in two innings, and had one runner tagged out at the plate trying to score from first.

The Trojans collected six hits and were errorless. Dupo made one error.

Bunk walked two and struck out 11.

Champion GCHS Tennis Team Wins 30th in Row

Southwestern Conference champions for the 1968 season, the Granite City high school Warrior tennis players clinched first place by beating Collinsville 4-1 Monday afternoon at Wilson Park.

The win in the meet was the 30th straight for the Warriors in the last two seasons.

Winning singles matches were John VanBusekirk 6-1, 6-2 and Norman Popmarkoff 6-0, 6-3. Jim Carlyle lost his single match 3-6, 3-4.

Double team winners were Bill Harris and Mike Mehl 6-0, 6-2 and Mike Loftus and Dave Pieper 6-3, 6-6.

Fan Club to Honor Marvill at Cardinal Ball Game on May 25

Special arrangements for baseball fans, both young and old, to attend Cardinals Fan Clubs at Busch Memorial Stadium will be a new attraction for the 1968 season, it was announced yesterday by the St. Louis Cardinals.

Fan club meetings will give an opportunity to meet a favorite player, hear him answer a few questions, and receive an autographed picture and team schedule or other Cardinals souvenir. Fan club dates will be announced three times during the season, in May, July and August.

Fan club meetings will be held at Busch Memorial Stadium on the fifth level (right field line) one hour and 15 minutes before game time. An individual must have his fan club ticket with him to be admitted.

The holder of a fan club ticket must also be in possession of a regularly issued ticket (box, reserved, general admission or bleacher seat) to the game being played on that date. The fan club ticket then will entitle the holder to admission to the fan club gathering.

Dates and players for the May and June fan clubs are: Monday, May 20—Red Schoendienst (Cardinals vs. Los Angeles).

Saturday, May 25—Dai Maxvill (Cardinals vs. Philadelphia).

Tuesday, May 28—Lou Brock (Cardinals vs. San Francisco).

Friday, June 14—Phil Gagliano (Cardinals vs. Cincinnati).

Thursday, June 20—Mike Shannon (Cardinals vs. Chicago).

Wednesday, June 26—Bobby Gibson (Cardinals vs. Chicago).

"Make your reservations early. Accommodations are limited," a spokesman said.

Dates for the July and August fan clubs will be announced June 5.

Brownie Revel at Girl Scout Camp Saturday

Returns from Hospital

Mrs. Fred Harp, 2783 Washington avenue, returned home Wednesday from Jewish Hospital, St. Louis, where she underwent open heart surgery recently.

A neighborhood-wide Brownie revel will be held at Camp Lakota, Glen Carbon, Saturday. Theme will be "May Flowers." Mrs. Pat Evans, 2753 Sunset drive, and Mrs. Jo Ann Dix, 2445 Delmar avenue, will be in charge of the program.

There are 89 Brownies and 16 adult volunteers, leaders, troop committee members and mothers registered to attend. The Brownies are to bring sack lunches and sitopons. Drinks will be furnished.

Bus transportation will be provided at St. John United Church of Christ, 2901 Nameoki road, at 8:45 a.m., returning at 3:30 p.m. Parents are to pick up the girls at St. John's at 3:30.

Attending will be Troop 47 and 1114, Niedringhaus school; Troops 140 and 1103, Marshall school; and Troops 198 and 890, Webster. In the event of bad weather, the revel will be canceled.

Former Resident, Jas. Childers, 55, Killed in Crash

James Homer Childers, 55, of Rural Route One, Loomi, Ill., a former employee of the Granite City Street department, was killed at 6:15 a.m. Monday when his auto was struck by a Norfolk & Western freight train at an unprotected crossing west of Springfield, Ill.

Mr. Childers, a resident here for 35 years prior to moving to Loomi in September 1966, leaves three sons, three grandchildren and a sister in the Quad-Cities.

The accident occurred at Bates Crossing, which has no warning lights or gates. Mr. Childers was alone in his car enroute to work at the Mid-West Pre-Stressed Concrete Co., in Springfield.

The freight, bound for Moberly, Mo., from Decatur, was traveling about 50 miles an hour when it struck the vehicle.

The engineer said he saw the car approaching the crossing and expected the driver to stop. The Springfield coroner, who pronounced Mr. Childers dead at the scene, speculated that the former local resident may have been temporarily blinded by the rising sun, obscuring his vision of the fast moving freight. An inquest was to be conducted in Springfield, possibly today, a family spokesman said.

A native of the Springfield area, Mr. Childers was employed by the local street department more than 15 years.

His wife, Alice, died in 1961. Survivors include three sons, James H. Childers of Madison; and Robert and Wayne Childers, both of Granite City.

His father, Isaac Childers of Loomi; one sister, Mrs. Helen Wilson of Granite City; a brother, Ellis Childers of Texas; and three grandchildren, all of Granite City.

Funeral services were held at 1 p.m. today. Arrangements are given in the obituary column.

GC Summer School Program Outlined

Raymond T. Jones, principal of Coolidge junior high school, was the featured speaker at the Rotary Club meeting Tuesday in the YMCA and outlined the "Summer School Program in the Granite City School District."

In past years, he said, only poor students had to attend summer school to keep up with their class, but, today all students may enroll in this program. Some are there because of low grades, some who want to increase their knowledge in preparation for the fall and winter terms, and some who cannot work all subjects in their regular school year programs.

The summer program covers all grade levels from pre-school to the high school level, and is for seven weeks, beginning on June 3 and concluding July 9, five days a week, from 8 a.m. to 12 noon.

Last year, about 3000 students or 20% of the school enrollment, attended the summer courses, which included the gifted program, head start program and regular subjects.

Jones noted there are three basic reasons for summer school—a continual effort of the school board to provide more learning for the young people; additional income for the school from the State on the same level as the winter program; and greater use of the school facilities which are supported by the tax dollar.

He said 12 schools will be used in the summer program and there is a fee of \$3 for the junior and senior high school students and \$2.50 charge for the elementary pupils. This includes all supplies and materials.

Rotary President Arthur Koerper, presided at the business meeting, announcing the next meeting of the Granite City Rotary Club will be held at noon May 14 at the Armory Depot in observance of Armed Forces Day.

John Polson submitted a report on the recent chili day, which to date has netted the Club \$400.

Also announced is a car wash to be held Saturday by the Interact boys at a service station at Nameoki road and Jill avenue.

Battery Charge Filed
Carlton Turner, 21, of 2088 Park avenue, was arrested at 2:35 p.m. Tuesday at his home on a charge of battery. The complaint was signed by Myrtle Abney. Turner was released on recognizance bond pending a hearing.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, 453-3131

Venice Viaduct Bid Call Delayed

Further delay in awarding construction contracts for the Broadway underpass project at Venice has developed because one of the three railroads involved in the program has not yet signed final letters of agreement. It was learned by the Press-Record today.

As a result, the project, which was scheduled to be included in this month's call for construction bids by the Illinois State Division of Highways, was left off the state bid call issued May 3. Had the project preparations been completed in time for the May 3 bid call, a contract for the underpass job likely would have been awarded on May 24, scheduled date of the state's next bid letting.

Robert Kronst, chief engineer of the Illinois highway district office at French Village, said the underpass project was left off the bidding list early this month because final agreements which must be signed by all agencies sharing construction costs, have not yet been signed by officials of the New York Central Railroad. The other two railroads are the GM&O and Norfolk and Western.

Next Call June 21

Kronst said the development would delay opening of construction bids until July 12. The highway department's next bid call is scheduled June 21.

Failure to complete all agreements in time for the May 3 bid call resulted from lack of time rather than any dissension over agreement terms, it was learned.

According to reliable sources, more time than had been anticipated was required by GM&O officials in obtaining verification of signatures and the agreement did not reach New York Central officials until after the bid call was scheduled.

The agreements are expected to be signed by NYC officials soon and returned to the state highway department.

Venice Approved Plans

Final plans, specifications and agreements were approved by the city of Venice during a regular council meeting last Friday night.

If a contract is awarded in July, work could be expected to start on the underpass construction by mid-August. The construction work is expected to require about a year.

The current estimated cost is more than \$1.5 millions. The cost will be borne by the state, the city of Venice and the three railroads.

Auto Backs into Mishop

School Crossing Guards to Get Six Paid Holidays

Six paid holidays for school crossing guards were approved Monday night by Granite City council members.

Sam Shackelford, a former alderman and spokesman for the guards, said they were requested to be paid for other days when schools are not in session, but the council noted the original request was for seven, which was cut back to six because July 4 is during summer months.

Council members rejected the guards' request for vacation pay, stating it would set a precedence, even though insect spray machine operators, also part-time employees, had been granted vacation pay.

Another guard spokesman noted they are called upon to work 2½ hours a day, usually put in four to provide adequate protection.

Cost \$756 a Year
Alderman Rutledge, who made the motion for six paid holidays a year, said seven would cost the city \$810 a year for the 13 guards and six would be \$756. He added that the city could not be obligated for other days off, such as extra days at Easter and Christmas, because of the work agreements with other city employee groups.

Later in the meeting the council authorized employment of three guards for the summer school sessions June 3-July 17. They are to be assigned at 20th and Benton streets, Johnson road and Wabash avenue and Nameoki road and Victory drive.

Accepted by the council was the resignation of city fireman Robert Mosby.

Sick leave payments totaling \$1964 for the last half of April were questioned by several al-

BRICKLAYERS LOCAL 65 graduates in which three new journeymen received certificates and tie clasps and one was presented posthumously to the father of a Vietnam war victim Monday night. They are, left to right, first row—Alan Gasparovic, George Smith, Matt Werschling, whose son, Adam, was killed, Fred W. Law, chairman of the joint apprentice board, and Kenneth Crick; and second row—Arthur J. Evenden, local president; Paul Zupan, business agent; James Kramer, apprentice instructor; and Paul Worthen, contractor representative on the joint board.

dermen, Dawes pointed out that \$1051 of the total went to the fire department.

Checking on Abuses
Mayor Partney commented there were indications the abuse program was being abused and that he had written to department heads asking them to keep close watch on procedures. Consideration is being given to changing the policy to tighten restrictions.

The payroll for the first half of May totaling \$45,300 was approved along with the routine bill list. Major item on the bill list was \$17,380 paid to Gen-

eral Contracting Co. for sanitary sewer construction in North Granite.

Approved by the council was pay to alderman testifying this week in a suit against the city by Mrs. Velma Rapp, who is seeking \$22,500 for injuries sustained in a fall May 1, 1965, in the 2300 block of Madison avenue. The aldermen are to be reimbursed their pay at their regular jobs for time lost, since they were called as officers of the city. The request was made by Alderman Bartosik, one of those called. Also to testify are Poulos and Whimer. Poulos

Faces DC Charge

John Leo Lane, 28, stationed at the Granite City Army Depot, was arrested by Venice police on a disorderly conduct charge at 11:30 p.m. yesterday at the Legion Post 799 home in North Venice. Police said Lane was involved in a fight outside the legion home and left the area, when he was told to do so. He later reappeared and demanded admission.

He is working nights and won't be losing any time on the job.

Bricklayer Union Honors Three New Journeymen

Marking their graduation as new journeymen bricklayers, three former apprentices of Bricklayers Union, Local 65 of Granite City, received certificates and tie clasps in brief ceremonies Monday evening during the local's regular business meeting in the Knights of Columbus hall.

A fourth journeyman certificate was awarded posthumously to Marine Sgt. Adam Werschling, 21, who was killed in action March 2, 1967, near Da Nang, Vietnam. The service-man's certificate was accepted by his father, Matt Werschling of Maryville, a 28-year member of Local 65.

Other graduates included Alan Gasparovic, George Smith and Kenneth Crick. Presentation was made by Fred W. Law, chairman of Local 65's Joint Apprentice Board.

Prior to achieving journeyman status, bricklayer candi-

dates are required to serve a four-year apprenticeship. In conjunction with the Granite City school system's Adult and Vocational Education program, Local 65 conducts classroom courses at the GC high school in which apprentices are taught drafting and estimating techniques and blueprint reading.

The remaining time is spent in on-the-job training with local contractors. Members of the Joint Apprentice Board include union officials and contractor-employers.

James Kramer, Local 65 vice-president, serves as in-class instructor. Others participating in the presentation ceremony Monday were Arthur J. Evenden, Local 65 president, Paul Zupan, business representative, and Paul "Mike" Worthen, a Granite City contractor and member of the apprentice board.

Bishop Chambers Will Visit Here Sunday

The Rt. Rev. Albert A. Chambers, S.T.D., Bishop of Springfield, will pay his annual visit to St. Bartholomew's Episcopal Church Sunday to celebrate the Mass and preach and administer the Sacrament of Confirmation to a class of five girls, who have been under preparation for the past several months.

The Confirmation, their parents and godparents will receive Communion at this service which will be held at 9 a.m. Those to be confirmed are Miss Young Bang Cho, Miss Priscilla Jo Butler, Miss Kathlyn Robin Heth, Miss Elaine Claire Williams and Miss Deborah Kay Zedolek.

A coffee hour will be held to honor the Bishop and the Confirmation immediately following the service. Bishop Chambers also will visit St. Thomas Church in Glen Carbon at 11 a.m. to offer the Mass and confirm two candidates, Miss Peggy Tenilade and Kurt Hin-

Hit-and-Run Accident

A hit-and-run driver backed into the front of the auto of Earl H. Tucker, 2836 Denver street, while it was parked in front of his home, and left the scene, it was reported at 9:25 p.m. Tuesday.

A luncheon will be held in the undercroft of St. Thomas Church following that service.

Fr. Wilbur L. Lear, rector of St. Bartholomew's Church and vicar of St. Thomas Church will present both classes to Bishop Chambers and assist at the Mass. A Low Mass will also be celebrated at St. Bartholomew's Church at 7:30 a.m. Sunday.

Center Open to Adults On Emotional Problems

The day care center at Lee Wright Homes, Klein and Bissell streets, Venice, is now open to Quad-City adults with emotional problems regardless of whether they are referred by a local agency, Sherman Sikar announced today. They may contact him directly by telephoning 875-1204.

The center operates from 9 a.m. to 3 p.m. each Monday, offering a varied schedule aiding adults in understanding and solving problems and in maintaining or resuming productive lives.

An adequate number of volunteers has been obtained, but eight has been the largest turnout of persons desiring counseling. About 50 can be accommodated.

Venice Park Board Re-Elects Officers

All officers and department heads of the Venice Park district were re-elected and reappointed in a regular meeting last night.

The five-man park board re-elected William Ohlendorf Jr. as board president and John Mitchell as vice-president. Marion Groshong was reappointed park superintendent and Charles Simmons was reappointed recreational director.

Leroy Kutz and Margaret Fecthe were reappointed secretary and treasurer, respectively.

The board also set Monday, May 20, as the date of a special meeting to consider the aid and appropriation.

Diplomas for 34 In First Year of Winback Program

Diplomas were issued to 18 in the second "Winback Program" graduating class last night in the Granite City high school cafeteria. Sixteen qualified for diplomas in January.

School officials described the total of 34 graduates in the first year as indicating the success of the program, under which adults lacking part of their high school credits may take the needed courses at night and earn regular diplomas.

Ladies dominated the spring class. Their maiden names from their high school days were used on the diplomas, but must have since married.

Talks were given by Dr. E. W. Walton, school board president, who awarded the diplomas, and Supt. Bob J. Davis and GCHS Principal Lawrence C. McCauley. Refreshments were served following the brief ceremony, which were witnessed by relatives of the graduates.

MOTHER-DAUGHTER GRADUATES. Granite City School President E. W. Walton presents a diploma to Mrs. Ruby Burnett Ames, 3236 Carlson avenue, in the "Winback" commencement last night. At right is her daughter, Cathy Ortolan, a member of this month's GCHS graduating class.

nessed by relatives of the graduates.

Those receiving diplomas included Mrs. Ruby Burnett Ames, 3236 Carlson avenue, whose class graduated in 1946.

Her daughter, Cathy Ortolan, also will get her diploma this month, in the regular GCHS class.

SIU-SW Graduates Tell of Prime Concerns in Life

Graduates are more concerned with salary, better positions and training for the future than with degree status, a survey of master's degree graduates from Southern Illinois University-Southwestern campus shows.

The survey of 1966 master's degree recipients continues a practice begun with the first master's graduate in 1958. Studies have been made two years after graduation in order to show job trends and other post-graduation data.

Among the survey findings: The number of graduates taking positions in Missouri has grown from 17% in 1962 to 35% in 1966. Graduates were reported living in nine states not including Illinois.

Younger Graduates

The trend toward lower graduation age is continuing. In 1966 there were twice as many in the 26-30 age bracket as in any other single group. The

age span, however, continues to cover a range from youth through normal retirement years.

A typical graduate was employed full time for pay while working toward the graduate degree. Of those employed, 122 were working in a public school. Only four respondents were full-time students.

A rising median income has reversed a downward trend established in 1963. The 1966 median salary was \$8,900, a gain of \$1,190 over the 1963 figure.

Earning the master's degree represents not so much a desire for change in employment as for a change in salary or status which often follows awarding of the degree. One third of those responding thought the additional degree was instrumental in promotions.

Only 1% of those responding said they were dissatisfied with their work. However, 15.8% said they would change academic majors if they could start again.

Nearness to home and "more reasonable tuition and fees" were the overriding reasons for their choice of the Southwestern campus for graduate study.

The SIU-SW graduate program was rated helpful by 96.6% of respondents. Ninety-six per cent said they would recommend the SW campus for graduate study.

Howard V. Davis, professor in the education division, recently completed the study of the 1966 class. Two hundred two persons were awarded the master's degree that year and 159 returned questionnaires in the survey.

Pedestrian Hazards At Kirkpatrick Cited

Exploration of pedestrian hazards along widened Nameoki road continued at the May meeting of the Granite City Housing Authority Tuesday night as the commissioners conferred with Fred Bartelsmeyer of the Illinois Division of Highways.

The board is seeking a pedestrian overpass adjacent to Kirkpatrick Homes due to the need for many youngsters to cross Nameoki road to attend Marshall grade school. The road currently is being expanded to four lanes.

Parking and street lighting needs also were discussed, and Executive Director David Morgan reported on a maintenance conference held last weekend in Joliet by the Illinois Association of Housing and Redevelopment Authorities.

Chairman Walter Pfaff presided and commissioners present were Ernest Veith Jr., Earl Thompson, Frank Fuzessery and Clarence Hoy. James Cox, who is to replace Hoy, has not yet been formally certified by the state.

Two Owens-Illinois Salesmen Here Honored

Two sales representatives of the Forest Products division of Owens-Illinois Co. at Madison were among 16 installed as outstanding corrugated box and bag salesmen in the 1967 Sales Builders Club at a recent meeting in Toledo.

They are James C. Kent and Kent Taylor. The company started the Sales Builders Club in 1961 as a means of recognizing and honoring outstanding sales representatives.

During the meeting the sales-builders attended an awards dinner, toured Owens-Illinois' technical service facilities and held a series of seminars to discuss marketing and packaging topics.

'Golden Apples'
Better Known As ORANGES

Ferrarius, 17th-century citrus authority, explained how oranges came to Europe: The Hesperides, nymphs who guarded the golden apples in their African garden, fled from Beroians and took the precious fruit to Italy. One of the golden apples was an orange and, so Ferrarius believed, orange trees flourished in Italy from that day onward.

There is at least a seed of truth in this tale because oranges did travel from Africa to Italy under Roman guidance. But when the Romans discovered the orange at about the time of Christ, the Chinese had already raised and praised it for some 2,000 years.

It was from Spain, the principal citrus growing center of Europe, that oranges came to the West Indies, brought by Columbus, and later to Florida, possibly brought by de Leon. Orange groves grew to forest proportions in the subtropical southern climate... the export of oranges to Europe began in the 17th century.

That's enough of the history lesson for today, I would like to tell you that Bill Lange, our Vice-President in charge of produce operations, told me that he has an excellent load of Florida Juice Oranges in the stores this weekend... in fact he has them listed in the Produce Ad below at 40¢ a dozen.

SOCIETY

MID-SUMMER BRIDE-TO-BE, Miss Linda Blumenstock, whose parents, Mr. and Mrs. Oel M. Blumenstock, 1687 Market street, Madison, are announcing her engagement to Sp4 Michael Vincent.

August Wedding Is Planned

The engagement and plans for an August wedding of Miss Linda Blumenstock and Sp4 Michael Vincent is being announced by her parents, Mr. and Mrs. Oel M. Blumenstock, 1687 Market street, Madison.

The prospective groom is the son of Mr. and Mrs. C. R. Vincent, Rural Route Two, Box 718, Collinsville, and is presently serving with the U. S. Army. He was graduated from Collinsville high school in 1965 and attended Southeast Missouri State College in Cape Girardeau, Mo., prior to enlisting in the Army.

Miss Blumenstock is a 1965 graduate of Madison high school and is a third year student at Southern Illinois University-Southwestern campus.

Moose Women Plan Election

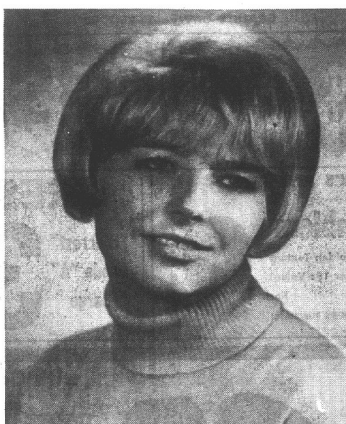

Membership Chapter Night was observed last night by the Women of the Moose with Edith Rodgers, junior regent, in charge in the absence of the senior regent.

A pot luck supper will be held for the "friendship" members Tuesday at 7:30 p.m. and all friendship members are asked to bring a covered dish and a 50 cent gift.

New officers are to be balloted on at the May 22 meeting. The balloting will take place at 7 p.m. preceding the regular meeting.

Glady Markovich reported on a "friendship" session in St. Louis which a number of the members attended.

Prizes were won by Frances Jones, Agnes Roderick, and Mildred Votupal. Forty were in attendance at the meeting.

BETROTHED, Miss Patricia Ann Morrison, daughter of Mr. and Mrs. Victor Morrison sr., 4120 Melrose avenue, whose engagement to Edward E. Wilson jr. is being announced.

Miss Morrison Is Engaged

The engagement of Miss Patricia Ann Morrison to Edward E. Wilson jr. is being announced by her parents, Mr. and Mrs. Victor Morrison sr., 4120 Melrose avenue.

The prospective groom is the son of Mr. and Mrs. Edward E. Wilson sr. of Glen Crossing road, Glen Carbon. He is a graduate of Edwardsville high school and is a Navy Veteran.

His employment is with the State of Illinois Division of Highways.

Miss Morrison will be graduated in May from the local high school and is presently a student at the Granite City School of Beauty Culture.

Tentative plans are for an August wedding.

Betrothal is Announced

Plans for their wedding have not been made by Miss Marcia Elaine Barnett, and Terry D. Barron, whose engagement has just been announced by the parents of the bride-to-be, Mr. and Mrs. Durrell Barnett, 3005 Yale drive; Mr. Barron is a son of Mr. and Mrs. Melvin Penberthy, 2920 Forest avenue.

Miss Barnett, a 1967 graduate of the Granite City high school, is now attending Southern Illinois University. Her fiancé, also a graduate of the local high school, is employed by Time, Inc., St. Louis.

AIRMAN, MRS. ROSENBERG VISITING PARENTS

Airman 2/c and Mrs. Gerald Rosenberg are at home on a 30-day leave, visiting their parents, Mr. and Mrs. Gerald Rosenberg, 2284 Cleveland blvd. and Mr. and Mrs. Nick Azari of Rosewood Heights.

Airman Rosenberg, who enlisted in the Air Force for four years, has served the past two years at the Amarillo Air Force Base, Texas and will report to Anchorage, Alaska at the end of his leave.

ATTEND COLLINSVILLE DAR MEETING

Miss Nelle Hart, Mrs. Frank Molique and Miss Ella Ray Smith, members of Drusilla Andrews Chapter, Daughters of the American Revolution, were guests at a dinner of the Collinsville Chapter last night in the home of Mrs. Vivian Hedgecock in Collinsville.

The three guests gave reports of the recent Continental Congress held in Washington, D. C.

MISS MARCIA ELAINE BARNETT, who will be married to Terry D. Barron, a son of Mr. and Mrs. Melvin Penberthy, 2920 Forest avenue. The engagement of the couple has just been announced by the bride-elect's parents, Mr. and Mrs. Durrell Barnett, 3005 Yale drive.

Marriage License Issued

A marriage license has been issued in St. Louis to Danny E. Elbing of Granite City and Roberta A. Ebrecht of Collinsville.

The men who make history seldom have time to write it.

CHURCH PLANS DINNER, MCKENDREE PROGRAM

The First United Methodist Church board met Monday evening in the church basement, with Rev. Dan Williams presiding.

Plans were discussed for a chicken luncheon and dinner to be held in the church basement, 225 Broadway, Saturday, May 18. There will be carry-out service and tickets will be \$1.50 and \$1.

An all-McKendree College day will be observed by the church on Sunday, May 19. Speaker for the 10:40 a.m. service will be Cecil Penn, a pre-ministerial student from Lebanon. Special music will be furnished by students of McKendree College.

Vacation church school is scheduled to be held June 3-7 from 7 p.m. to 9 p.m.

A picnic is to be held Sunday, June 9, at the church immediately after the 10:40 a.m. service. Games and entertainment will be furnished and a covered dish luncheon is to be served.

ARRIVES IN GERMANY

Mrs. Edna Ritz, 636 Lincoln avenue, has received word from her son, Staff Sgt. Charles E. Ritz, that he has arrived in Germany.

He would like to hear from his friends.

His address is: S/Sgt. Charles E. Ritz, R.A. 1781451, Third Armored Division, N.C.O. Academy, A.P.O. New York, N.Y. 09045.

PLAN PROGRAM FOR MEMORIAL DAY

The annual meeting of Venice-Madison American Legion Post 307 was held at the Legion home, 740 Broadway, this week.

Hillmer, commander, opened the meeting.

Donations were made for two boys to attend Boys' State in June.

Delegates elected to attend the 22nd District, Fifth Division and state convention in Chicago were Hillmer, Kenneth Hinson, Robert Douglas, Chuck Hinson and John Brinks. Alternates are Bud Grimes and George Wilson.

Two flags will be donated to the Greek Orthodox Church in Madison.

Plans were discussed for a Memorial Day program May 30.

CLUB PLANS CONTEST

The Venetian Tops met at the Venice Library Monday evening. The meeting was called to order by the leader, Jennette Woodmore. A contest within the club is to start with Monday's meeting.

Queen of the week was Mrs. Shirley Luffman and queen of the month was Mrs. Diana Ragle.

Mrs. Janie Beyer and Mrs. Shirley Luffman were awarded bracelets.

Those attending were Miss Debbie Fichte and Mesdames Woodmore, Ann Welch, Lora Hollis, Shirley Watkins, Carol Williams, Mary Fausler, Roberta Robertson, Janie Beyer, Iona Bauer, Annette Abrams, Edna Holtz, Meg Komosa, Mary Ann Walsh, Elsie Robinson, Rosanna Borchgrader, Terry Ross and Laura Fichte.

Guests at the meeting were Mrs. Marie Cann and Mrs. Earline Cook. The meeting closed with prayer by Mrs. Robinson.

Disturbance Last Night SIU, Carbondale, to Expell Students Causing Trouble

A disturbance last night in which six windows and a door were broken at the office building of President Delyte W. Morris, by students at the Carbondale campus of Southern Illinois University, followed President Morris' statement of policy concerning \$50,000 bomb damage early Tuesday to the Agricultural building.

Two students were detained and several others were given on-the-scene emergency treatment for injuries as state and city police joined the campus guard force.

In his statement Wednesday, Morris said, "A tiny minority will not be allowed to interfere with the educational opportunities of the majority."

Will Expell, Suspend

"Interference with the normal function and proper conduct of the university forces the university to take appropriate disciplinary action including suspension and expulsion when university regulations are disregarded and in legal action by civil authority when the laws of the state are broken."

The University will resist by all means within its power and the power of state agencies any efforts from the outside to disrupt the normal processes of an institution of higher learning.

The University is a community dedicated to intellectual development by the process of rational thought and to the freedom of expression of ideas and opinions. It is a community that not only tolerates dissent, it welcomes responsible dissent and discourse on the issues of our time. The Southern Illinois University has historically stood in this tradition and still stands there. It intends to so remain.

Widely-Known Area Resident Dies Tuesday

Mrs. Nettie Roseberry Ryan, 78, of Wanda, a member of a widely-known pioneer family in Chouteau township, died at 2:30 p.m. Tuesday at St. Joseph's Hospital in Alton from injuries she sustained in an auto accident one week ago today.

Mrs. Ryan had been hospitalized with internal chest injuries and an ankle fracture which she suffered in the two-car collision on Route 111, north of By-Pass 66. The occupants of the second auto also were injured, but have since been released from the hospital, a family friend reported.

The accident occurred as Mrs. Ryan, an employee in the Mitchell office of Chouteau Tax Collector Charles Lexow, was returning home from work. She had been employed in the tax office the past five years.

A daughter of the late Mr. and Mrs. Oscar Roseberry, she was born April 17, 1880, in Chouteau township, and had resided her entire life in the area. She was a longtime and active member of the Wanda Methodist Church, where she had served as organist for many years.

Survivors include a sister, Miss Ruby Roseberry of East Alton, with whom she had made her home in recent years; and a brother, W. Arnold Roseberry, Rosewood Heights. Her husband, Frank Ryan, preceded her in death.

Funeral services were held today in Wood River.

been sent to the FBI laboratory in Washington, D.C., for analysis. A sample of the dynamite found in the student's room also will be sent to the laboratory.

In the aftermath of the Agricultural building blast, Security Office said three anonymous calls Wednesday said bombs would go off in three campus buildings within the hour. Checks showed no bombs.

Mother-Daughter Banquet is Held

Fifty-four members and guests attended the mother and daughter banquet of the Granite City Junior Service Club Monday evening at Skaggs in Wood River.

President Mrs. Wilma Eddington welcomed the guests, and Mrs. Della Pouly, club sponsor, gave the invocation.

Following the dinner each of the members introduced their guests and Miss Flora Mae Lanning, chairman for the dinner, conducted several games.

Those winning prizes were Mesdames Margie Pennell, Frances Stadelman, Sandy Innis, Mary Noeth, Gladys Wallace, Jean Ann Vrenick, Mary Watkins, Charlene Pohlman, Mary Kennedy, Misses Jan James, and Peggy James.

Special prizes went to Mrs. Annie Noeth, the mother with the most children; Mrs. Ann Epping, the oldest mother; Mrs. Dolores Flaughter, the youngest mother, and Mrs. Ann Hamilton, the mother of the youngest child.

Decorations for the tables were in a spring theme with a green net swan as the main table centerpiece, baskets of fresh cut flowers on the small tables and individual favors were bars of soap decorated with swans in multi colors.

The next board meeting will be held May 13 in the home of Mrs. Jean Ann Vrenick and the June regular meeting will be a pot luck on June 17.

Garden Club Installs Officers

Mrs. Charles Hickman was installed Wednesday as president of the Terrace Garden Club.

The noon meeting began at the Roundtable Restaurant where luncheon was served and the members were presented with chrysanthemum corsages by Mrs. John Kirchoff, who had fashioned them herself.

After luncheon, the club members motored to the SIU-SW campus, where a dessert course was enjoyed on the patio of the Student Union. The installation ceremony took place on the patio with Mrs. Victor Bernack, retiring president, in charge.

Others taking office with Mrs. Hickman were Mrs. Cecil Miner, vice-president; Mrs. Robert Ruppel, treasurer, and Mrs. Kiril Kirchoff, secretary. The club members also toured the university buildings. Others attending were Mrs. Pablo Gonzalez and Mrs. Arthur Meier.

AUXILIARY HONORS GOLD STAR MOTHERS

A meeting of the American Legion Auxiliary of Post 113 was held last night at the Legion home honoring Gold Star Mothers and mothers and daughters.

Dinner Honors School Employees

A dinner party honoring two retirees from Marshall grade school and a teacher who is to be married this summer was hosted earlier this week by members of the elementary school's administrative, cafeteria and custodial staffs and faculty.

Held at Rusty's restaurant in Edwardsville, the affair featured Mrs. Viola Edwards, a fourth grade teacher for 11 years, who will retire at the end of the current school term, and August Beckmann, a custodian assigned at the school for ten years.

The third person honored was Miss Patricia Pasmore, vocal music instructor, who will wed Michael Michaeloff of Granite City during the coming summer vacation.

Miss Diane Nocheff, a Marshall third grade teacher and chairman of the arrangement committee, presented Mrs. Edwards with a traveling case, Miss Pasmore a silver Revere bowl and Mr. Beckmann with a fishing rod and reel.

Forty staff members attended the dinner, including Miss Mary Hopkins, school principal.

MRS. DORIS STOTZ
2571 Hodges Avenue
576-0464

Mrs. Mary Lockhart, chairman of Neighborhood Three Girl Scout leaders, has announced that a program for leaders, "What's It Day," will be at Camp Lakota has been canceled.

SCOUTS TO HOLD DINNER

Cadet Girl Scout Troop 1174, sponsored by the Webster PTA, met Monday evening with the leaders, Mrs. Pat Eaton, Mrs. Pat Emring and Mrs. Pam Johnson, at the Eaton home, 2408 East 25th street.

The meeting opened with the troop repeating in unison the scout laws, led by the Monkee patrol.

Mrs. Eaton announced that on May 20 the two patrols will divide, with the Monkees meeting at her home to prepare a meat sauce and the Space Cadets meeting with Mrs. Emring to prepare salad and a dessert in preparation for a bridging and pot luck dinner to be held at Kirkpatrick residence, 2501 May 25. The Monkees will represent the Eagle and the Space Cadets, Germany. The dinner will be a practice session for the ceremony May 24 at Webster school.

Work continued on a Mother's Day project and plans were completed for a hay ride June 1 at Arlington Heights, followed by a winner roast. Each girl may bring a friend. This weekend regular meetings for the school year.

The meeting was closed by singing of "Taps" led by the Space patrol. Attending were Ruth Bird, Kitty Chapline, Pam Clay, Kathy Bailey, Diane Emring, Becky Graham, Jo Ann Head, Patty Harrington, Karen Lee, Debbie McKinney, Debbie Slarks and Frances Wely.

TROOP CAMPING PLANS

Junior Girl Scout Troop 704, sponsored by the Webster PTA, met at the school Monday with the leaders, Mrs. M. Lee, assisted by Mrs. Elizabeth Griffin.

The meeting opened with the Monkees repeating in unison the scout laws in preparation for a mothers' tea.

Mrs. Lee announced a May 10 deadline to register for Junior Hobo Day. Mrs. Vivian Davis, a leader at Marshall school, is in charge of the hobo day May 18. The troops will meet at the canal bridge and hike to the Lewis and Clark park for a cookout.

The troop will go to Camp Rainbow, East St. Louis, July 13, 14 and 15 for a weekend of camping. Work continued on a Mother's Day project and each girl made an invitation for her mother to attend the tea and a "fly up" and court of awards.

The troop sang "Happy Birthday" to Cindy Myatt, a new member, and a song festival was held. Several of the girls who attended Junior Fun Day taught new songs.

The meeting closed with singing of "Taps" by Gina Blason, Debbie Bird, Mary Kay Chapline, Denise Dickerson, Pam and Sharon Emring, Karen Griffin, Connie Hozian, Cindy Myatt, Vickie Pulley, Vicki Welly, Karol Lee, Patty York and a guest, Darlene Griffin of Troop 29.

Mrs. Lee and Mrs. Pat Emring attended the Junior Fun Day at Camp Lakota with Debbie Bird, Mary Kay Chapline, Brenda Baling, Pam and Sharon Emring, Patty Harrington, Karol Lee, Vickie Pulley and Patty York.

DISTRICT EAGLES AUXILIARY MEETING
Several members of the Auxiliary of Eagles Aerie 1126 attended the District Eight meeting at the Eagles hall in Belleville Sunday afternoon.

United Cerebral Palsy Drive Opens Friday

The United Cerebral Palsy Association of Madison-St. Clair counties will begin its annual drive for funds tomorrow. Over 2000 women will march in 24 communities to reach a goal of \$15,000 for services for the cerebral palsy.

There will be over 200 marchers covering the Quad-City area daily for three days from 8 a.m. to evening. The honorary chairman for Madison county is Mrs. Dorothy Smith, granddaughter of the late Rep. Frank Holton.

The funds raised from this drive, she explained, will help bring about six new programs in the bi-county area.

Summer Day Camps for cerebral palsy children, 6-16, monitor programs which train teenagers and adults to assist in the home of a cerebral palsy child as an aid or a baby sister.

Camperships for cerebral palsy adults 18 years of age and older at the adult cerebral palsy camp at Little Grassy Lake, Carbondale; scholarships for high school juniors and seniors to attend summer seminars at Southern Illinois University or Illinois State University.

A central referral service for provision of services for handicapped persons and their families; and the hiring of a therapist, nurse or professional educator, as director for programming of these counties and 31 other southern Illinois counties.

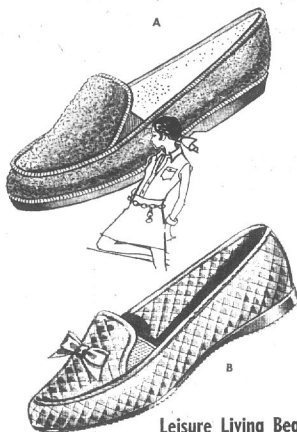

Pfc David Sander Assigned in Vietnam

Army Pfc David W. Sander, 19, son of Mr. and Mrs. Elroy Sander, Rural Route Two, has been assigned as a truck driver to the 71st Transportation Company in Vietnam.

His wife, Carolyn lives in the 690 block of Margaret avenue.

Madlinger Retires, to Sell Barber Equipment

After 25 years as a barber, Harry Madlinger has closed his shop at 1308 Niedringhaus avenue. He plans to sell his barbering equipment.

He now is retired at his home, 2703 Center street, where he resides with his wife, Mrs. Nora Wells Madlinger. He retired on the advice of his physician and recently was a patient in St. Elizabeth Hospital, returning home this week.

He took over the business when he returned from military service and his father retired. His father had been a barber in Granite City for 50 years.

Leaves Curb, Hits Car

An auto driven by Avon Williams, 4300 Marcus avenue, collided with another driven by Russell T. Albert sr., East St. Louis, who was pulling away from the curb on 18th street near State street at 4 p.m. Monday.

Urban Ed Fellowships Available at SIU-SW

A limited number of fellowships in urban education are available at Southern Illinois University's Southwest campus, according to Prof. Joseph Gore of SIU-SW's education division.

Beginning with an eight-week workshop June 17 and continuing throughout the following academic year, the urban education fellows will work half-time in area schools with teachers who will supervise them, and with university personnel; the other half they will take graduate courses leading to the master's degree.

The fellowships include a \$2400 stipend for 12 months plus \$600 for each dependent. The tuition for fellowship holders will be waived.

In order to qualify, prospective fellows must have a bachelor's degree, preferably in teacher education, Gore said. Housewives and mothers whose graduate programs have been interrupted are especially welcome, he added.

Internships are also available for prospective graduate students in urban education. Terms would be paid half salary by the local school district while they pursued their master's degrees.

GC Students Win 1st Place Awards in Math

Five Granite City students won preliminary awards at the mathematics field day examination held at Southern Illinois University - Carbondale, it was announced this week.

Barbara Ellen Jackson, a senior at Granite City high school, won a one-year tuition scholarship to SIU. A GCIS senior team winning first place was composed of Dave Townsend, Rich Wenner, Lessee Freedman and Barbara Jackson.

David K. Hudson of Coolidge junior high school won a first place individual award in the freshman category.

About 788 students from 64 southern Illinois high schools took a two-part test on high school mathematics during the event.

The first part, for which the preliminary awards are announced, covered general mathematical background. The second part, with awards to be announced later, covered problem solving ability.

St. Louisian Elected SIU-SW Student Body Proxy

In a special election at Southern Illinois-Southwestern campus, Dennis Zorumski, St. Louis became the new president of the student body. His term of office will be from June 1, 1968 to June 1, 1969. David Weck of Belleville will serve as student body vice-president.

Zorumski, 21, is a senior professional writing major who is currently a SIU-SW senator and chairman of the Student Welfare committee. He is a member of the Newman Club, Debate Team and Xi Sigma Phi service fraternity.

Businessman Named to Grant Board at SIU

Philip D. Sang, Chicago area businessman and philanthropist, has been elected to the board of directors of the University of Illinois S. Grant Association, which has its headquarters at Southern Illinois University's Morris Library.

A resident of River Forest and a noted collector of historical art and literature, Sang has made numerous contributions to SIU's Morris Library, including a collection of 300 original letters and documents of Civil War significance. He was awarded an honorary Doctor of Humane Letters degree by SIU in 1963.

Honors Day Ceremony Set Next Week at SIU

Southern Illinois University's highest ranking student scholars will be recognized at the annual Honors Day ceremony May 16 on the Carbondale campus.

About 520 undergraduates will be cited by SIU President Delyte W. Morris for exceptional academic averages. Announcements of special scholarships, prizes and awards for the 1967-68 school year also will be made at the 7:30 p.m. ceremony in the SIU Arena.

Honors students, their parents and guests will be feted at a reception following the event. Members of the SIU faculty will attend, robed in academic gowns.

Honors requirements for freshmen and sophomores are overall grade averages of 4.5 or above, on the 5.0 (straight A) scale. Juniors and seniors must have maintained career college averages of 4.25 or better to qualify.

All students will be recognized individually and will receive certificates. Seniors also will be given bookshelves entitling them to a choice of a book published by the University Press.

Brazilian Student at VHS Given Fond Adieu

Students and teachers at Venice high school bid a fond bon voyage to foreign exchange student Ruy A. Sodre Sunday afternoon before he left for his home at Sao Paulo, Brazil.

A reception was held in the auditorium of the Venice public library for the youth who spent most of the school year attending VHS.

Experiences of learning and associating with a foreign student were related by students and teachers, especially by Mrs. Josephine H. Davis, chairman of the English department.

Sodre was presented a certificate as an honorary citizen of Venice by Mayor John Lee. Students presented him with gifts, including a sweater with the letter "V." Mike Leatherman served as master of ceremonies. Cake and soda were served.

While here Sodre lived at the home of Kenneth Rankin, industrial arts teacher.

At the reception signs which decorated the wall read "Brazilian Go Home" and "Happy Birthday Ruy and Good Luck." He became 18 this week.

But a poem written by fellow student Linda Sveria, also displayed, expressed the sentiments of the student body: We hope you liked old Venice high.

You know we all like you. We hope you will remember us. We like your personality, your accent and your smile. We're glad you got to stay with us.

If only for a while. But now we know that day has come. The day that you must go. Remember that you have good friends.

In Illinois, you know. And if you liked America, try to come back some day. We'll welcome you just any time. No matter what the day.

Mrs. Wille to Graduate From Blackburn College

Mrs. Donna West Wille, daughter of Mrs. Robert West, 3065 National avenue, is among 84 students who are candidates to receive bachelor of arts degrees from Blackburn College in its 99th commencement exercises at 2:30 p.m. May 19. The public is invited to attend. Admission will be \$1, with a CYO card and \$1.25 without a card. Music will be provided by the "Peppermint Pigs." Slacks and shorts will not be permitted.

Cookie, Pretzel Sale Planned by 'Y' Youths

The YMCA youth department will conduct a cookie and pretzel sale to help youngsters earn their way to memberships and summer camp. Charles Hasse, director, announced.

The sale will begin May 17 and continue through June 1. Sale items may be picked up at the youth office. A parent must sign a "permission to sell" slip and check out the items for the youngster.

If a youngster sells less than the total needed for his membership or camp fee, he may pay the balance in cash. The outing will be at the YMCA camp at Carbondale in August. Further details are available at the "Y" youth office.

Liberal Arts Seminar Set June 7-10 by U.I.

A program with subjects ranging from world politics to jazz and religion and from art to light modulation has been prepared for the third annual Residential Liberal Arts Seminar June 7-9 at Allerton House, University of Illinois conference center.

The program is conducted by the U. of I. division of University Extension in cooperation with the Lake Shore chapter of the National Secretaries Association (International). It will be attended primarily by members of the Association, but also is open to other interested women.

Prof to Live in Hall With 420 Men Students

Illinois State University at Normal announced today it will introduce a new approach to its educational program by taking the professor and the classroom to the students.

Beginning with the fall semester, the new Experimental Learning Center in Wilkins hall, a residence for 420 men students, will begin operation. Main features of the program will be:

Having a full-time faculty member and his family living in the hall, conducting classes, seminars and forums and otherwise being available to students for consultation.

For the first time using a university recreation-lounge area—Linkins center—for university classes taught by various university faculty members including the residence fellow.

Cooperating with hall residents in a full-scale effort to explore in a variety of forms relevant and pressing issues of current concern.

Dr. Paul J. Baker, assistant professor of sociology, will be the "resident fellow" in the hall. He, his wife and four children will occupy the first floor apartment in the building.

Pass-Fail System to be Tried at Carbondale

Starting next fall, students in Southern Illinois University's College of Liberal Arts and Sciences will be able to register for some courses that pay off in graduation credit if they pass, and no loss of grade points if they fail.

An experimental Pass-Fail program has been approved by the SIU faculty council and by Robert W. MacVicar, vice-president for academic affairs. Initially affecting the liberal arts college at Carbondale, MacVicar said if successful it may be extended to other schools, colleges and divisions on both the Carbondale and Southwest campuses.

The experiment will continue for two years, at which time University officials will evaluate its results and decide whether to continue the program.

The only grades given in such courses are "P" or "F". Passing students—and anything from a corresponding "D" grade up—is passing—earn the course hours toward graduation. Those who fail merely lose the hours; the negative grade points involved don't go into the books. There will be no effect on grade-point averages in either case.

David Christensen, assistant

dean of the college, said the Pass-Fail option will be limited to elective courses only. No student can take a P-F course in 300 and 400 level courses or apply the hours earned toward the 64-hour senior requirement, as well as to the overall 192 hour graduation requirement.

Christensen said most of the college's 19 departments have earmarked certain courses for Pass-Fail registration. The physics department will list all its courses except General Studies 101 for P-F. Foreign

units may apply for LA&S Pass-Fail courses with the consent of their deans.

Those who get Pass grades in 300 and 400 level courses can apply the hours earned toward the 64-hour senior requirement, as well as to the overall 192 hour graduation requirement.

Christensen said most of the college's 19 departments have earmarked certain courses for Pass-Fail registration. The physics department will list all its courses except General Studies 101 for P-F. Foreign

languages will put all its 300 and 400 level courses under the P-F option. History, sociology and psychology are other departments that will list many junior and senior courses for Pass-Fail option-takers.

HAIG NIGHOSSIAN
Nighossian Receives Awards at MacMurray

Haig Nighossian, Granite City, received two top awards at MacMurray College's annual Achievement and Leadership convocation last week at Jacksonville.

Nighossian, a senior chemistry major, is the son of Mr. and Mrs. Samuel Nighossian, 1723 Chestnut street. He received the MacMurray Highlander award and the Richard Nesmith Leadership award.

The Highlander award is named by the women students at MacMurray and goes to the senior man who best represents the ideals of the Men's College, "Wisdom, Duty, Reverence."

The Nesmith award goes to the senior who has, as a leader in the Men's Student Association, contributed the most during the current year to the student government association and who best exemplifies the finer qualities of leadership, scholarship, character, cooperation and friendliness.

Nighossian has served this year as president of the Men's Student Association. Last year he was president of his residence hall and he has been a member of the varsity soccer team.

Brown Selected to Visit Naval Academy

If you don't want to pay the price of America's roomiest car try the second roomiest:

a new Chevrolet like this

If things like head, shoulder and leg room are important to you, take a close look at the new Chevrolet.

Automotive News did—and its 1968 Roominess Index shows Chevrolet is the second most spacious of all American sedans.

The roomiest? That distinction, we're not at all embarrassed to admit, goes to America's most popular luxury car.

Based on the Roominess Index, which totals seven key interior dimensions to the fraction of an inch,

Chevrolet's 4-door sedan scored 290.7. A tenth of a point behind the 4-door luxury model.

A pretty good showing when you consider how much more the expensive model sells for. And some of the other cars Chevrolet topped carry just as impressive price tags.

But that's just a sample of the pluses you get at a Chevrolet price. You'll find a lot more of them in the fine Chevrolet has designed around all that space.

Drop down to your dealer's and bring the family. This one's a real crowd-pleaser.

Mrs. Caban Presents Skit for Illini Moms

Mrs. Lucille Caban, Madison county chairman of the University of Illinois Mothers Association who was re-elected a director for a second term during "Moms' Weekend" activities at the Champaign-Urbana campus, also presented a skit at the association's 46th annual meeting.

Using a variety of colorful hats, she portrayed in story form the services performed by the mothers group to the University, faculty, student body and alumni groups.

Entitled, "Fashions of Service," the program detailed such association projects as the open house weekend held on campus each May, which attracts hundreds of mothers and includes bus tours and a continental breakfast for visitors and the university's administrative staff and faculty; publication of Illi Notes for sustaining members; and support of the Women Students Aid Fund.

Soul Expedition to Lead Marathon Friday

The Soul Expedition, Granite City teenage band, will lead off a three-day marathon of bands Friday night at the Castaway club in Cahokia.

In the group are Tony Peeler, bass; Alice Schriener, organ; Butch Nolkemper, guitar; and Darryl Ridgeway, drums. Other bands to be featured are the Truth, the Del Rays, the Unknowns, the Black Zone and the X-Tremes.

The Soul Expedition has been making appearances in Illinois and Missouri, including Bruno's in St. Louis, the Queen Arena in Warrington, Mo.; and the Psychedelic Comic Book in Poplar Bluff, where they will make a return performance Saturday.

A caravan of teenagers from Granite City high school is to leave for the Belleme Village shopping center at 7:15 p.m. Friday. Persons needing a ride may obtain one there.

Students Join Snoopy In Urging 'Clean Up'

Why should this community and nation clean up, paint up and fix up during this month? Granite City junior high school students can think of a lot of reasons. And they're not only voicing them, but also pitching in to do their share of the chores to make their neighborhoods neater and cleaner.

Essay competition by junior high pupils on the clean up campaign currently in progress here resulted in spirited competition. Keith Toby said today in announcing the contest winners. He is a member of the Tri-Cities Chamber of Commerce Area Improvement Committee and general chairman of the arawake clean up drive.

Debbie Sanders, 3001 Wayne avenue, submitted two winning entries at Coolidge junior high school.

Her first effort dealt with Snoopy, the comic strip dog who is reputed to have shot down the world war I German flying ace nicknamed the Red Baron. The victor's airplane in the aerial combat—a "dogfight" in more ways than one—was (would you believe?) his doghouse.

Target: Sloppiness

Snoopy was used as the theme of the essay contest at Coolidge, where the student newspaper, the "Tom Tom," urged, "Help shoot down the Red Baron's slovenly crew."

Her entry:

"The Red Baron flew over our city so fair, dropping papers and trash. It polluted the air. 'The ground was all covered with litter and scrap. Why did he pick our town from his Illi-nois map? Granite City sure looked like a sorry sight, but, alas, someone else was also staring that night."

"It was Snoopy, our hero, with broom swinging high. His paint brush was flying like a bolt in the sky."

"He cleaned and repaired — and his throat he did clutch. 'Oh, man,' he explained, 'This is just much too much.' He began to grow weary, and he said with a yelp, 'I'm just breaking down, man. I've got to have help.'"

"Now, don't let our hero die from fatigue and despair. Let's pitch in and help him. Will you do your share?"

Paint, Effort Instill Pride

Miss Sanders also submitted: "Why clean up? For common decency, that's why! We are civilized human beings, and cleanliness is an important virtue. Keep your possessions clean."

"Why paint up? Paint is a beautifier and preservative. It keeps an object from rotting, rusting, or falling apart."

"Why fix up? A little time, effort and pride put into repairs save you hours and money in replacement. The old adage, 'A stitch in time saves nine' goes for all repair work. Don't wait until things fall apart. Fix them now!"

"Finally, don't be a litterbug. Practice good citizenship by keeping your home, school and city neat."

Best Prather Essay

Susan Kemper, Rural Route Two, Box 1133, wrote the winning essay at Prather junior high school:

"America is a land of continuing progress. It has progressed from the horse and buggy to powerful, modern automobiles, supersonic jets, and electrically-run trains."

"Scientists are making new, important discoveries every day that will give us even greater power and comfort."

"But, in a sense, this progress is not good. It saps our natural resources, because Americans have become too thoughtless to preserve them."

"Every year, our government spends thousands of dollars on a campaign called Clean Up, Paint Up, Fix Up America. But the government cannot carry on this campaign alone. It needs the help of America's citizens."

"We must clean up our polluted air and rivers; we must fix up and build up America's unsightly slum areas."

"The highways and streets of America are covered with unhealthy litter. Radioactive material falls from the air and is unhealthy. Litter falls from the hands of thoughtless people, and it is just as unhealthy as the atomic bomb."

"A little bit of thought could prevent an awful lot of litter. Clear Rivers, Air, Streets"

"Our country was once a beautiful one, with clear rivers, pure air and clean city streets. Let's make it beautiful again. Clean up, paint up, fix up America!"

"Top entry at Central junior high school was the work of Barbara Bagby, 2023 Edgewood avenue:

"Clean up all those junky yards. Do some work; it's not that hard."

"Pick up every paper around. Pile those leaves up in a mound."

"Throw away scrap, glass and wire; hurry now, before you tire!"

"Prune those trees and trim the hedge. Scrape the mud from off the ledge."

"Wash the windows shiny bright; hurry now, and do it right."

"Do all this and you'll soon see, the way you want your city to be."

Miss Ballew Named to U. of I. Shorter Board

Barb Ballew, 1146 Rhodes street, is among 34 women students at the University of Illinois at Urbana to be named to junior women who have a woman's activity honorary society. Shorter Board is a local honor society open by invitation to junior women who have a 3.5 all-university grade average and have displayed leadership in extracurricular activities.

Alderman Criticizes City Auto Tag Drive

Sharp criticism of the police department announcement of the May 1 deadline for city auto licenses was voiced at Monday night's Granite City council session by Alderman Robertson.

"Many people were inconvenienced in standing in line for an hour or more or being turned away at 5 p.m. We've never done this before, and there just isn't enough time to sell 14,000 to 15,000 auto stickers by May 1.

"I understand that now the police department hasn't made any arrests and doesn't plan to before May 15. The people were put out and they did not need to be," Robertson said.

Basarich commented that the advance deadline was good for the city, and that the city auto license ordinance specifies a May 1 deadline.

In the past, the crackdown was started about June 1. To date, over 12,000 of the 33 stickers have been sold. In the 1967-68 year, the total sale was 13,700.

Mrs. Lillian Prack, 90, Dies in California

Mrs. Lillian Prack, 90, of Omo Ranch, Calif., a former 60-year resident of Granite City, died at 8:25 p.m. Monday at an Omo Ranch hospital, where she was a patient about one month. She leaves two granddaughters and two great-grandchildren in the immediate area.

Mrs. Prack had resided nearly 30 years in California with her daughter, Mrs. Virgil (Hazel) Reynolds. Her husband, George Prack, a bricklayer su-

perintendent at Granite City Steel Co., died in 1921, and a son by the same name also preceded her in death.

Also surviving are two sons, Chester Prack of Williamsville, Mo., and Kenneth Prack of Varyville, Ill.; five grandchildren, including Mrs. Wanda Futera of Granite City and Mrs. Ralph (Joni) Ridgeway of Collinsville; and 12 great-grandchildren.

Funeral arrangements are pending in Placerville, Calif.

Venice '67-'68 Expenses within Income

The city of Venice paid operational costs of \$34,681 out of its general fund during its 1967-68 fiscal year that ended April 30. Another \$83,468 was paid out of special accounts, according to reports compiled by City Comptroller Carl Byrnes.

City income during the year, excluding transferred funds, totaled \$449,632, including receipt of \$374,254 in corporate taxes collected in 1967. Byrnes also reported that appropriations in all city funds were overdrawn in only eight accounts, and these were in minor amounts totaling \$17,758.

Largest appropriation deficit was \$9584 in the account for garbage collection supplies due to purchase of a new garbage truck during the year. An appropriation of \$4000 was set up for such supplies, but disbursements totaled \$13,594.

In the general fund, the city spent a total of \$116,989 for operation of the police department. Disbursements for garbage collection amounted to \$46,160, while operation of the fire department for the year amounted to \$39,119.

Street, Alley Costs
Street and alley department disbursements totaled \$44,217, while costs for city officials aggregated \$38,720, and insurance cost the city \$13,488. Maintenance of the city hall cost \$7774 and the legal department cost \$5656. The city light bill for the year was \$9318 and water cost \$155.

The city spent \$752 for printing, \$800 for legal publications, \$232 for elections and \$19,665 for sewer repairs. The annual audit cost \$630, contingency expenditures amounted to \$502 and Civil Defense disbursements totaled \$600.

Expenditures from special accounts included: Maintenance of arterial streets, \$9009; fire insurance fee, \$606; library fund, \$19,665; police pensions, \$84,659; working cash fund, \$9346; and Illinois Municipal Retirement Fund, \$10,692.

In addition to the \$374,254 in tax collections received by Venice during the year, revenue also included \$1077 in taxes released through settlement of

tax objections and \$6909 as the city's share of township road and bridge fund tax collections. Receipts from fines from arrest cases amounted to \$6154 and sale of tavern licenses produced \$4225.

Let Other Income

Miscellaneous receipts accounted for \$1352 and sale of truck delivery licenses brought in another \$2405. Income of \$945 was received from sale of city auto tags. Poolroom licenses accounted for \$110 and peddlers' licenses, \$75. Building permit fees brought in \$74 and Illinois state sales tax allocations totaled \$14,530. The city received \$9134 in motor fuel tax funds for maintenance of arterial streets.

Byrnes reported that the city sold 1015 city auto licenses during the year for a total of \$3945 revenue. 14 Class A tavern licenses at \$250 each for a total of \$3500; two Class B tavern licenses at \$250 each for \$500 and three Class C tavern licenses at \$75 each for income of \$225.

Other license revenue during the 1967-68 year included sale of 49 city truck delivery licenses at \$10 each for \$490; 105 truck licenses at \$15 each for \$1575; seven beer truck licenses at \$20 each for \$140 and ten soda truck licenses at \$20 each for \$200.

Other license sales were one advertising license for \$50, three peddlers' licenses at \$25 each for \$75 and 11 pool table licenses at \$10 each for a total of \$110.

City Fund Balances
Balances in city funds at the end of the year, Byrnes reported, were: Motor fuel tax fund, \$20,416; engineers' license fund, \$444; working cash fund, \$27,026; partial payment sewer and pavement fund, \$3599; Jefferson sidewalk dis-

tribut 2, \$1692; Library building fund, \$229; Broadway sidewalk fund district 1, \$1327; Illinois Municipal Retirement Fund, \$9731; Jefferson-Weaver sidewalk district 3, \$462; Main street building fund, \$4639; McKinley bridge revenue fund, \$660,950; and judgment liability fund, \$80.

Of the total of \$19,774 paid out of the library fund, \$12,138 went for salaries and the balance for operational expenses. The library fund also ended the year with a balance greater than the total amount of disbursements for the 1967-68 year, the report shows.

The library fund began the year May 1, 1967, with a balance on hand of \$19,982. Tax receipts during the year included \$15,156 received in October 1967 and \$3937 received in March this year. A deposit of insurance funds received last month in the amount of \$689, brought total available funds for the year to \$39,765. Total expenditures of \$19,774 left the balance of \$19,991.

FIRST PLACE WINNERS in the human anatomy section of the Biology Division of Sacred Heart school's first science fair. Left to right—Thomas Galas and Michael Sotiroff, seventh graders on a joint project, and Stephen Sotiroff, also a seventh grader, who made his display of paper-mache.

DETAILED EXHIBIT featuring the human eye won a first place award in the Sacred Heart science fair for Jean Richardson. She is an eighth grader at the school, which was holding its first science fair and art show.

Sacred Heart Science Fair Winners Announced

Winners of the first annual science fair and art show held at Sacred Heart school Sunday have been announced.

Receiving first-place ribbons in the junior high school division were:

Biology section—Stephen Sotiroff, human anatomy; Thomas Galas and Michael Sotiroff, human anatomy; Jean Richardson, the eye; and Lynn Whaley, scientific method.

Physics—Edward Sotiroff, turbojet engine; Phillip Syzmarek, tesla coil; Joann Lotzy, incubator; and George Sotiroff, Apollo and Moon.

General science—Donna Schrieber and Patti Morrison, volcanoes; and Mary Ellen Hellrich, cells and cancer cells.

Intermediate division (grades 3, 4 and 5): Tommy Francis, motor; Steven Bowers and Michael Hayes, solar system; and Cheryl Berkshire and Kathy Morrison, diseases.

Primary division (grades 1 and 2): Cathy Sandy, life cycle of the moth; and Carla Francis, dancing moth balls.

Second prize winners were: Junior high division: Biology—Kathy Jernigan, the brain; Judy Plack, the heart; Maureen Hayes, the brain; and Cindy Balcer and Rene Moore, human anatomy. Third prize winners: Biology—Patrick DeGonia, heredity; Peter Domotovich and Patrick Daggo, human anatomy; Paul Pashea and Tim Burns, racoon skeletal system; and Judine Bruch, digestive system.

Intermediate second prize winners, physics section: Debbie Bair, spectroscopy; Tim Loyet, rocketry; Mark Whaley, parachute demonstration; and Pamela Henry, solar system. Third prize winners, physics: Anna Marie Soellner, anemometer; John Pashea, T. Maze; and Victor Sobolewski, radio. Junior high division second prize winners, general science section: Denise Kayich, photo synthesis; and Barbara Francis, seeds. Third prize winners, general science: Debra Salich, Maureen Nolan and Nancy Heth, bean sprouts; Cathy Riess, volcanoes; and Pamela

WIDE VARIETY OF COSTUMES for the annual GCIS May Day performances are modeled by six of the participants. Twenty-two skits are to be performed. Left to right—Lynda Kelley, toy soldier; Susan Abbett, Siamese child; Donna Danco, sailor; Debbie Jones and Janice Hill, waltzing couple, and Sally Jackson, bathing beauty.

May Day Coronation, Program Today, Friday

Granite City high school will present its annual May Day program and May Queen coronation at 8:15 p.m. today and Friday in the school auditorium.

To be crowned May Queen is Sharon Bartosiak, daughter of Alderman and Mrs. Edmund D. Bartosiak, 2326 Edison avenue.

Twenty-one acts will be presented during the traditional affair to honor the graduating senior girls who will be in the procession. The program is entitled "Attila Antics."

Junior and sophomore girls from gym classes will present tap dancing, apparatus, modern, Maypole and free exercise events in addition to other features. A matinee for children was presented yesterday afternoon.

Serving as attendants at the coronation will be Mary Chapman, daughter of Mr. and Mrs. Howard Chapman, 2822 Pershing avenue; Robyn Robertson, daughter of Randall Robertson, 2914 State street; and Mrs. Pauline Robertson of Cambridge, Mass.; Debbie Berger, daughter of Mr. and Mrs. Ted Berger, 2121 Richmond avenue; and Jane Parnley, daughter of Mr. and Mrs. James Parnley, 2729 Grand avenue.

The pages will be Cheryl Gram, Cindy Mefford and Phyllis Pragma.

SHIRLEE JIMERSON
Miss Jimerson Named Girls State Delegate

Shirlee Sue Jimerson, daughter of Mr. and Mrs. Chance O. Jimerson, 1028 Market street, has been selected by Henry Mitchell American Legion Auxiliary Unit 799 at its Girls State delegate.

The choice was based on her scholastic record and congeniality. She is a junior at Madison high school, enrolled in college preparatory courses. She is interested in special education.

Delegates will convene June 11-18 at MacMurray College in Jacksonville to study Illinois state government. Her selection was announced by Mrs. Mattie Richards, auxiliary president.

\$103,677 Values Listed in 47 New Building Permits

Forty-seven building permits listing values totaling \$103,677 were issued for new construction in Granite City during April.

There were no major projects as activity lagged behind the March values of \$285,047, listed in 29 permits. In April of last year, 54 permits showed values of \$151,105.

During the month two permits were issued for new homes at a value of \$58,000, nine were for additions at \$14,580, seven were for garages at \$7,900, 12 were for remodeling and repairs at \$17,770, three were for commercial purposes at \$4,577 and four were for miscellaneous reasons at \$1,550. In addition, six permits were issued to raze structures at a cost of \$3549.

Nine permits were issued at the close of the month with values of \$7406. They were obtained by:

Clifford Hickey, 2644 Adams street, a one-room addition, \$2000; David Bergfeld, 5256 Edgewood drive, a one-room and bath addition, \$2500; Wayne Mosby, 2208 Adams street, a garage, \$700; Albert Mischelhorn, 2632 Grand avenue, a garage, \$300; J. C. Cochran, a sign at 1507 Johnson road, \$750.

Charles Smith, 2083 Thirtieth street, remodel front of home, \$200; Dallas Edwards, 2103 Benton street, repair porch roof, \$30; Maggie Broadway, 2019 Missouri avenue, repair porch, \$125; and Harlan S. Ritt, 1336 Garfield avenue, repair siding, \$800.

Waterman Ave. Improvement Bids Sought

A call for bids for motor fuel tax improvement of Waterman avenue west of Mayville road was authorized Monday night by Granite City council members who also approved a supplemental MFT resolution for \$155,000 additional funds for improvement of Johnson road between Carlson and Franklin avenues.

The bid opening for the initial phase of the Johnson road improvement project will be May 16. Plans call for a nine-inch concrete pavement, 36 feet wide with sidewalks and related drainage facilities.

Bids also are to be re-sought for improvement of Michigan avenue and Troy avenue under the MFT program. Earlier bids were rejected because the state highway department required related streets to be arterial thoroughfares and because the storm water drainage project plans were not completed at that time.

A resolution was adopted to designate sections of other streets in the Youngstown subdivision to be arterial thoroughfares. It will be submitted to the state.

The streets include Michigan from Troy to James avenue; Idaho and Oregon from Benton to St. Paul avenue; James from Michigan to Idaho and St. Paul from Idaho to Oregon.

New Office Building
George Louis of the Louis Agency was given permission to install driveways on Madison avenue at 28th street and on 28th street for an office building, subject to state approval. Alderman Johnson, chairman of the Street committee, opened bids for gasoline and oil for city vehicles and the four proposals were referred to the committee for recommendation.

Gasoline prices, taxes to be added, were 14.9 cents a gallon for premium and 12.9 for regular from Gulf Oil Corp., 13.33 cents and 16.83 cents by Federal Oil Corp. and 13.48 cents and 17.48 cents by Mobil Oil Corp. Lindy Mobil bid only on fuel oil with figures of 14.4 cents for No. 2 and 15.65 cents per gallon for No. 1.

Permission was given the

Granite City Army Depot to set up an Armed Forces Week display of equipment on city property in the 2300 block of Madison avenue between the fire station and post office May 12-18, and referred to the committee was an application for an excavation permit by Southwestern Bell Telephone Co. for an underground cable to serve the Army Depot.

The approval was received for the MFT contract between the city and Research Planning Design Associates, signed by Johnson instead of Mayor Partney. The contract expires next Dec. 31.

Johnson complained that engineering field books are missing from the engineer office in the city hall. He was advised by Mayor Partney that the office is kept locked and that his secretary has receipts for all items removed from the office in recent years. The mayor added that there are some documents that are not in the office that should be and that a search through loan records is being made.

To Warn Bi-State Transit

Bi-State Transit System is to be advised by the city to instruct its drivers to pull to the curb when picking up or discharging passengers to eliminate a traffic hazard and also to speed speeding. Alderman Robertson said homes in the Seventh Ward are being damaged by speeding buses, but that there is no damage when the buses travel at the proper speeds. Police are instructed to check bus speeds.

In miscellaneous business, the council referred to Police Chief Veizer a request from Granite City Steel Co. Police Chief Michael Skubish for three-year city commissions for 27 plant guards.

Referred to the City Plan Commission was a request by Dr. Earl Miller, dentist, for a zoning change from R-2 residential to C-1 commercial for two lots at Nameoki road and Richmond avenue and a request by the First Church of the Nazarene, East 25th and August streets for a special use permit.

Father of Local Man Buried in St. Louis

Funeral services were held yesterday in St. Louis for Cohort O. McCommis, 76, of 431a Lafayette, St. Louis, who died at 8:45 a.m. Monday at Incarnate Word Hospital. Among the survivors is a son, Boyd McCommis, 2910 Benton street.

Mr. McCommis had retired several years ago from Liggett and Meyers Tobacco Co. He was a member of Tower Grove Baptist Church and Lambakin Masonic Lodge 460, AF&AM. Also surviving are his wife, Mrs. Doris McCommis; another son, William McCommis of St. Louis; two brothers, Paul and Cohort McCommis, both of St. Louis; six grandchildren and four great-grandchildren.

Twilight Optimists Select Officers

Ivan Pitman, cashier at the First Granite City National Bank, was selected to serve as president of the Twilight Optimist Club by the nominating committee at a meeting Monday night.

Jim Jeffries, superintendent of the Blast Furnace department, Granite City Steel Co., is the new vice-president, and Myron Converse, local television dealer, was renominated for secretary-treasurer.

Robert Spengler, a past president, will be the installing officer at the installation banquet on June 22 at the 300 room at Tristar Bowl with an orchestra providing the music for the evening.

CLEAN FIX PAINT

to be placed on church property for Sunday school classroom purposes. Alderman Bartosik said the structure would be temporary until a new church building can be erected.

Several objections were raised when Bartosik requested preparation of a resolution to grant the special use permit, and City Atty. Allen advised him the zoning code is specific in requiring presentation of such applications to the Plan Commission.

Bids Under Study

Still under study are three bids received for garbage and trash collection. The present contract with National Disposal Corp. expires next month. Alderman Dallas, committee chairman, said further study of the proposals is needed.

Enforcement of city business and vending machine licensing laws was voted by the council with the city inspection office and city attorney to prepare lists of delinquents and final notices to proprietors. The police department will be ordered to carry out the enforcement as in the past. Alderman Robertson complained that the matter should be handled by the mayor and police department without the need for council action.

Rutledge, chairman of the Finance committee, commented, "The licensing laws are legal, and this happens every year. The police department should be following through."

City Atty. Allen is to set the deadline date for the compliance with the final notices.

GET THE MESSAGE? The theme of the Quad-City clean up, fix up, paint up drive is presented on this billboard made available by the Vollman Sign Co., Collinsville, in the 2200 block of Madison avenue. Installed Monday, it will be displayed next week in Madison. Pictured (left to right) are Allen L. Jessee, Trust and Savings Bank executive vice-president, who heads the Tri-Cities Chamber of Commerce Area Improvement Committee; Charles Vollman of the Vollman firm; and Keith Tobey, assistant to the Illinois Power Co. service area manager, a member of the committee and chairman of the 1968 clean up campaign.

Motorcycle Hits Auto

The rear of an auto driven by Norman Papamarkoff, 2650 Madison avenue, who stopped in the traffic lane for a dog, was struck from behind by a motorcycle operated by Brad Harris, 2212 Edison avenue, Monday at 30th street and Madison avenue.

When Tomcats Guard the Goldfish

"Bodkin" by Barton Midwood. Random House, 1968, 211 pages, \$4.95.

(Reviewed by LaRue Hart, wife of Jim A. Hart, a member of the faculty of the Department of Southern Illinois University. Review published in the Daily Egyptian, SIU Department of Journalism, Carbondale.)

Take a home for wayward Negro boys in update New York, add an administrative staff and guards as socially maladjusted as the inmates, throw in a two-day snowstorm and unexplainable death of an inmate, and you have the ingredients of a first-class mystery. Added to the underlying problem of delinquency are such modern social problems as interracial marriages, Jewish and Negro minorities, homosexuality, drugs, and drinking on the job.

Events of the two days of action are seen through the eyes of Bodkin, a Jewish night guard in one ward.

He seems to have more un-

derstanding of delinquent children than the other guards. But, like them, he has his faults.

As a peculiar combination of sympathy and pragmatism, he is not always able to cope with his job.

Barton Midwood has made his first novel a character study, rather than a story of plot.

On the whole, his portrayals, though overdrawn in spots, are rather finely chiseled.

He uses such events as an inmate, sitting naked in the snow as a protest, and a frustrated old maid nurse, running around in her nightgown, to inject mordant humor.

His Hitchcock ending and his brief descriptions of snow scenes are icing on the cake.

Although "Bodkin" is based on modern social problems and is written with above-average skill, it probably will not reach the best seller list.

It lacks concentration on one problem.

But Mr. Midwood shows promise, and it is hoped his future novels will show his growth as an author.

Increasing Need to Earn Diploma

(Monthly Labor Review)

While only one out of two adult workers had a high school education or better in the late 1950s, this number will increase to two out of three in 1975.

A study, "Education of Adult Workers in 1975," states that young adult workers aged 25 to 34 will continue to enjoy an educational advantage over their older co-workers.

Almost four out of five of them will have a high school education or better, and one

out of five will have completed four years or more of college.

By 1975, the study points out, it is expected that men and women workers will have had, on the average, the same amount of education, with such attainment of 12.4 years.

The proportion of workers having eight years or less of elementary schooling is expected to decline from one out of three in the late 1950's to one out of six by 1975.

50 YEARS AGO

MAY 9, 1918

Twenty of the 22 mayors of Madison county met at Edwardsville at the invitation of State's Attorney Streuber to discuss improving conditions in their towns. They organized the Madison County Mayors Association and Madison Mayor F. A. Garesche suggested formation of a state organization to seek needed legislation.

Mayor Henry P. Hotz, of Edwardsville, was elected president and Mayor Garesche secretary. The by-laws committee includes Mayor C. H. Kunnemann of Nameki and Mayor Marshall E. Kirkpatrick of Granite City.

The Ladies' Circle was entertained at the home of Mrs. John Abbott, 2261 C street. Officers elected for the coming year were Mrs. W. J. Biel, president; Mrs. Gus Koerner, vice-president; Mrs. George Court, secretary; Mrs. Joseph C. Steele, assistant secretary; and Mrs. J. M. Bandy, treasurer.

Pensions Before Retirement Age

(Internal Revenue Service)

Q—I'm 59 and retired last year because of illness. Is my company pension taxable?

A—A pension received for retirement before normal retirement age because of sickness or injury may qualify as sick pay. In that case, up to \$100 a week may be excluded from income until you reach normal retirement age.

For details, send a postcard to your district IRS director and ask for Document No. 5916, Sick Pay.

Q—I filed my tax return over ten weeks ago. Shouldn't I have my refund by now?

A—Yes, if the return was complete and accurate. A return claiming a refund filed early in the year takes from five to six weeks to process. In most cases, when refunds are delayed, a letter explaining the delay is sent to the taxpayer.

If you have not heard from IRS, check the address you used on your tax return to see if it is the same as your current address. If not, send your new address to the Service Center where you filed your return.

Lack of a current address holds up the delivery of many refunds.

If your address has not changed, contact your local IRS office or write to the Service Center where you filed. Give your name, Social Security number, address, date of filing, type of return filed and ask them for advice about your refund.

Q—My refund came last week and it is about \$40 less than what I claimed. Why?

A—It could be that you made a mistake in arithmetic or used the wrong tax table. An explanation of why the refund was less should be mailed to you shortly.

To avoid such mistakes in the future, double-check your return before you file.

If you are married and filing a joint return, use the table for married couples filing jointly.

not the one for married couples filing separately.

Single taxpayers should use the table for heads of household unless they meet the requirements described on page 3 of the 1040 instructions.

Q—My wife and I own stock which is registered in both our names. We received \$200 in dividends we receive tax free?

A—Yes, if you file a joint return. If you file separately, each may exclude up to \$100 in dividends.

Q—I am employed as a painter and occasionally some work on my own on weekends. Do I have to pay self-employment tax?

A—If the net income from your part-time work is \$400 or more, you may be liable for self-employment tax. For an explanation of this tax, send a postcard to your district director and ask for a copy of Document No. 5047, Self-Employment Tax.

Q—I use my car for business. Is there anything I can deduct for its operation?

A—Yes, if the cost of its operation qualifies as an "allowable business expense." In that case, you may deduct your actual expenses in operating the car or a standard mileage rate of ten cents a mile for the first 15,000 miles of business use and seven cents thereafter.

Check your 1040 instructions to see if you qualify for this deduction.

If you use the standard mileage rate, a speedometer reading at the beginning and end of each business trip will establish the amount you can deduct. Tolls and parking fees are deductible in addition to the standard rate.

If you are reimbursed by your company for use of the car, the deduction must be reduced by the amount of your reimbursement.

Any excess of your reimbursement over the expense should be declared as income.

Advisory Role For Mayor Maeras On City Taxes, Services Is An Excellent Idea

Governor-to-be Samuel Shapiro's proposal to utilize Mayor Stephen Maeras of Madison in an advisory capacity is an excellent plan. The local official, honored by a dinner gathering of nearly 700 for more than 25 years in office, has few peers in the realm of governmental administration and finance.

Discussions at Illinois Municipal League meetings and other sessions have shown that numerous agencies and municipalities are years behind Madison in providing facilities and services and finding ways of paying for them.

Mayor Maeras' counsel could be valuable not only to him but to state officials and legislators, whose deliberations increasingly deal with city tax matters.

Thoughts On Leading A Horse

We applauded State Rep. Harold Katz' proposal to include the Illinois constitutional convention proposal on the same November ballot listing state, district and county candidates. A separate ballot too often is ignored by voters, but their total vote for candidates is used in determining majority support for special propositions.

However, his latest plan to count straight party votes as votes for the constitutional convention goes too far. Let's lead the horse to water, but not conclude that he has taken a drink unless he actually does so.

Good State Commission Selection

Election of George T. Wilkins as vice-chairman of the Illinois Urban Problems Commission will make effective use of his energy and knowledge. As an education professor at SIU, he has been a superintendent of public instruction and lifelong teacher, he is unusually familiar with the role of schools as part of the solution to urban problems.

Some people evidently think church services are like a convention; many families send one like delegate.

While we do not meet our quota, we are grateful for the many contributions made by individuals, organizations and industrial and business firms.

It is without question that the Press-Record's coverage of our campaign was instrumental in pointing out the need for additional funds, thus enabling the Red Cross to carry out its obligations to the community.

Your efforts have helped those who are serving our country, as well as provide assistance to their families in this area.

State Candidates Beginning To Speak Out On Horseshoe Lake Park, SIU-SW Medical School

With the June 11 primary election swiftly approaching, it would be helpful to Quad-City area voters to know the sentiments of candidates for district and state offices on two vital issues—the need to establish a state park and a medical school at the Southwestern campus of Southern Illinois University.

Those who fail to speak out will indicate either that they disagree that such needs exist or that they do not accord high priority to the two issues. Fortunately, the aspirants are starting to make themselves heard.

The sound Horseshoe Lake proposal deserves better treatment than it is being accorded by the Illinois Department of Conservation, which has allowed its attention and budgeting to be diverted instead to the Lewis and Clark Park. The governor and the Illinois House and Senate have it within their power to correct this mistake; already, Richard B. Ogilvie, a Republican gubernatorial contender, has indicated he will do so if elected.

This week, 1500 spectators witnessed power racing at 35 mph on the Horseshoe Lake, and competition will continue there monthly throughout the spring, summer and early fall. An undeveloped lake that can attract so much activity and interest would be a truly outstanding regional asset following acquisition and improvement as a scenic park, water sports area and wildlife refuge.

The Illinois Board of Higher Education hearing at SIU-SW last week underscored the acute shortage of doctors in Southern-Southwestern Illinois and the readiness of area hospitals, medical schools and universities to cooperate fully with medical training. Figures showed a ratio of 1443 persons to each physician in Madison and St. Clair counties, compared to 795 to one in Illinois as a whole, and the situation is deteriorating further.

State Rep. Leland Kennedy (D, Alton) went so far as to charge that statistical classification of these two counties as part of central Illinois was part of a "plot" to keep a medical school out of this area. Certainly, the grouping understated the need in Illinois' second largest population center and resulted in recommendations weighted in such a way as to concentrate remedial steps in the northern half of the state.

More aspirants for executive and legislative offices should voice their thoughts on such crucial matters. We'll be happy to report whatever they wish to say.

Pontoon Too Hazardous For Pedestrians

The continuation of frequent fatal and near-fatal injuries to pedestrians along Pontoon road between Nameki road and Illinois Route 111 this week justifies study and action to reduce the hazard.

The east-west direction of the street is a factor in morning and evening windshield glare from the sun, and many motorists incoherently regard Pontoon as a highway rather than a residential thoroughfare. The high volume of traffic and the presence of numerous churches, schools and homes add to the danger.

Installation of additional traffic controls would seem to be one of the steps deserving early consideration. Later recommendations might properly include widening to four traffic lanes.

Names and address must accompany each letter but will not be revealed if anonymity is desired. 750 words or less. No profanity. All copy subject to condensation and grammatical changes. These libelous or not in good taste will be rejected or edited.

MCCARTHY A STATESMAN AND A SQUARE SHOOTER

To the Editor:

I just turned off my TV set. The program, "Meet the Press," interviewed our well-known vice-president of the United States. Still a master of the art of the interview, James Reston, asked very sharp questions but the answers were so evasive and diplomatic that it seemed to me at least, Reston gave up the pointed questions. Perhaps he realized that he couldn't get the answers out of the political fog that he wanted from him.

When this writer thinks back several years, even back to the time when Humphrey was still mayor, I recall what a spellbinder he was. What an orator, liberal to the point that, if he had gone a little further to the liberal side, he might have been considered a leftist. But it was a pleasure for any liberal or for a poor person to listen to that man's speeches.

Now that the man has been bitten by the presidential bug, one does not recognize him.

Even his facial expressions have changed, it seems to me, since he might through that arming twisting conversion mill of L.B.J.

The president wanted him as a man because he knew that Humphrey in politics was almost his equal and other might through that arming twisting conversion mill of L.B.J.

Enforcement of New Regulations On Boating Will Begin This Year

By the Tri-City and Illinois Boat Associations

There are some new rules for those who go down to the lakes and streams in sailboats and motorboats.

The new regulations were adopted by the Illinois General Assembly last year, but did not become effective until the boating season was over, when it was too late for them to become well-known or widely enforced.

This year will be a different story.

Enforcement of the new Boat Registration and Safety Act is the job of State Department of Conservation officials and other authorized police officers. They have authority to board any vessel to check on compliance with safety standards.

Any vessel hailed by an inspection officer, the law says, must stop and lay to.

One of the new rules is that sailboats, like motorboats, must have one life preserver for each person on board. The preserver, ring buoy, buoyant vest or buoyant cushion must be in good and serviceable condition and be of a type approved by the U. S. Coast Guard. This equipment must be within easy reach of all persons on board.

Another new requirement calls for the registration of all sailboats over 12 feet in length. Every such sailboat must have an identification number issued by the state or by the federal government or other state having a federally-approved numbering system.

The number must be displayed on both sides of the bow of the boat in black letters at least six inches in height. The requirements are the same as those previously in effect for motorboats.

The Act also increases the fee for boat registration from \$3 to \$4, and certificates of registration expire after two years, instead of three.

The pocket-size certificate must be available for inspection any time the motorboat or sailboat is in operation.

The state also adopted new regulations for the ventilation of motorboats to prevent accumulation of exhaust fumes in the boat.

All motorboats, except open boats, used on having a flash-point of 100 degrees F. or less must be fitted with at least two ventilator ducts, fitted with cowls or their equivalent for the efficient removal of explosive or inflammable gases from bilges of every engine and fuel tank compartment.

A new time limit also has been placed on the reporting of boating accidents.

If an accident results in property damages in excess of \$100 or a personal injury which incapacitates a person for more than 72 hours, a report must be filed within five days to the Department of Conservation.

An accident involving loss of life must be reported within 48 hours.

The Congenial Pinch Club met with Mrs. Nan Goodell of Washington avenue, Mrs. R. H. Taylor and high score, and other prize winners were W. W. Knowles, Mrs. Homer Hausauf and Mrs. L. J. Whaling.

Army Depot personnel have sent \$355 to assist in rehabilitating 71 families who lost their homes and belongings in a fire that destroyed 16 homes in West Madison. A committee named to distribute the funds consists of Harry Johnson, Harry Johnson, Russell Strange, Mrs. Huested, Mrs. Jessie Henderson, Mrs. L. C. Harlan, E. A. Friedman, Mrs. Ada Lumm, George Smith and Seth Webster. The funds will be disbursed as a supplement to the Red Cross disaster funds, on the basis of needs determined by the Red Cross survey.

Harry Miller Pfleger, senior vice-president of General Steel Castings Corp., was honored at a dinner of the Franklin Institute in Philadelphia last night when he was awarded the George R. Henderson medal given for meritorious inventions or discoveries in the field of railway engineering. He has developed a cast steel one-piece bed for steam locomotive construction.

Venice-Madison American Legion Auxiliary Unit 307 held a social meeting, with pinocchio play and a drawing contest. Mrs. Jack Taylor was a guest, and Mrs. Nelle George was the prize winner. Hostesses were Luella McCoid, Nora McCoid, Ava Blanche Nicol, Sybil Robbs, Anna Zelenaki and Estella McBrien. Irene Dragoni, a Madison high school sophomore, was announced as the American contest winner for an essay on "Making America Strong."

FOUND LOCAL FAMILY

To the Editor:

Since we were residents of Granite City for over 38 years, we would like for people to know how happy we are to have been a part of their city.

We raised our family there—Faye, Eddie and Donnie Mathis. They attended Nidderhagen school, junior high and high school. Two graduated and went on to make a life for themselves. Donnie is still attending school here in Tennessee.

Faye was married at the Third Baptist Church and is living at Dyersburg, Tenn. Eddie attended SIU for one year and enlisted in the Air Force. Just promoted to sergeant, he has been serving in the Philippines for the past 18 months but will be returning home in June.

We are grateful to the Nestle Co. and Granite City school district where Mr. Mathis was employed, and to the ladies who made Mrs. Mathis' work so pleasant at Hazel's Beauty Shop.

To all our friends and neighbors who made our years in Granite City happy ones, we want to say thank you.

50th Anniversary Season

GC Park District to Offer 13 Trips to Munny Opera

The Granite City park district again will offer summer theatre-goers special weekly trips this year to the St. Louis Munny Opera in Forest Park, starting with two performances of "My Fair Lady." Tuesday, June 4, and Tuesday, June 18, it was announced today by Harold Brown, park superintendent.

To highlight the outdoor theatre's 50th anniversary season, the current New York production of "Hello Dolly" will interrupt the play's record Broadway run for a one-week presentation, beginning July 29, as a unique salute to the Munny Opera's 50th birthday.

Due to the considerable cost involved in bringing the New York company here, special prices will be charged for "Hello Dolly" performances, Brown said. Cost of the remaining production will be \$3.25 for each reserved seat, plus a \$1 charge for round-trip transportation.

Reservations may now be made for any of the 13 theatre excursions by calling the Wilson Park office at 877-3059, the park official said. He added that 45 season tickets are available for each performance through the district's option plan.

Additional seats may be acquired, if sufficient interest is known in advance of a specific show. Brown suggested that local organizations wishing to reserve large quantities of tickets, advise his office as soon as possible on the dates preferred.

A charge of \$2.75 per person, plus \$1 transportation cost, is to be made for the July 30 presentation of "Hello Dolly," starring

Pearl Bailey and Cab Calloway, the park official reported.

Reservations for single or combined performances may be made at the present time by phone, he said, adding however, the tickets must be picked up at the Wilson Park office by the Friday preceding any given show.

In addition to the two-week run of "My Fair Lady," featuring Douglas Fairbanks Jr., Eddie Albert (Green Acres), and Margot Muser, other shows scheduled for the coming summer season and the dates of the local trips, are:

"The Peajama Game," starring Jaye P. Morgan and John Raitt, June 18; "Annie Get Your Gun," with Kaye Stevens and Bruce Yamell, June 25; "The Merry Widow," with Jean Pierre Armand, July 2; "Brigadoon," starring Ann Blyth, July 9; "Carousel," with John Davidson, July 16; "Call Me Madam," starring Ethel Merman, July 23; "Hello Dolly," July 30; "Show Boat," with Arthur Godfrey in the lead role, Aug. 6; "The Wizard of Oz," Aug. 13; and "The Sound of Music," featuring Florence Henderson and Bob Wright, Aug. 20 and Aug. 27.

Sgt. William Tarris Now Stationed in Florida

Sgt. William W. Tarris, a son of Mr. and Mrs. William A. Tarris, 4760 Nameoki road, has arrived for duty at Patrick AFB, Fla.

A medical records specialist, Sgt. Tarris has been assigned to a unit of the Air Force Systems Command. He previously served at Bien Hoa AB, Vietnam. Sgt. Tarris is a 1964 graduate of the Granite City high school. His wife is the former Lana Midyett, a daughter of Mr. and Mrs. Omar Midyett of Jessup, Georgia.

Marine Pfc Wilkins With Unit in Vietnam

Mrs. Meta C. Wilkins, 133 Grenzer Homes, Madison, is being informed her son, Marine Pfc David L. Wilkins, is serving with the Seventh Communications Battalion, First Marine Division near DaNang, Vietnam.

A support unit for the division, the battalion is composed of a Headquarters Company and Communications Company providing radiomen, repairmen, teletype operators and switchboard operators to units that requests them.

HISTORY OF ILLINOIS was emphasized at the spring camporee of the United (Quad-City) Boy Scout district and Kickapoo (Bond county) district May 3-5 at Pere Marquette State Park. Charles McMackin is shown explaining how Capt. George Rogers Clark captured the fort of Vincennes and how it affected Illinois history.

A SCOUT IS REVERENT. Father Eaker, an Oblate father, distributes Holy Communion to Michael Hildebrand of St. Joseph's Catholic Church Troop Seven at the Boy Scout camporee. Scouting stresses service to God.

STAFF OF CAMPOREE includes (left to right) Rollin Henn, Russell Knight, John Pekarik, Oliver Gilmore, Fred Hacke, Edward Lorton and Edwin Menke Jr. Menke, Uniwah executive, is summer camping director.

City to Study Purchase of Stolze Property

A study to determine feasibility of city purchase of the Stolze Lumber Co. buildings and property, 20th and Adams streets, was ordered Monday night by Granite City council members.

The firm's office-sales building could be remodeled for offices for the city and township and the warehouses used to protect city street department equipment and supplies.

Mayor Partney was asked to negotiate a purchase arrangement, and council members talked of then leasing office space to the township supervisor and assessor—now in separate rented quarters—and having more convenient offices for collecting tax bills and sewer bills. Taxpayers would have free parking and would not have to climb steps.

The prices mentioned ranged from \$200,000 to \$250,000 with the possibility of buying the property over a period of 10 years. Mayor Partney said he has been trying to get other lumber firms interested in locating here. He added that remodeling might prove too costly.

City Atty. Allen advised the council that state laws on exemption of property from tax relief does not include Junior Achievement property. The directors of the youth organization served as camporee service center and getting a piece of the city the right-of-way in front of the building at 3307 Washburn avenue to extend the Weber road, provided arrangements can be made on payment of back taxes and getting a tax exemption for the property.

Allen said the directors will have to submit the request to the State Department of Revenue.

City to Complain To State on Bad-Tasting Water

Resolutions criticizing the foul-tasting water of last week are to be adopted by the Granite City council and forwarded to the Illinois Commerce Commission and the state Board of Health.

Council members authorized preparation of the resolutions Monday night and instructed City Atty. Allen to determine what legal action the city might take against the East St. Louis & Interurban Water Co. in the event such an incident happens again.

"I had a lady call me and said she was drinking Scotch to avoid the taste, but she had nothing for her four children to drink," Alderman Johnson said, adding that the city should have a legal recourse.

Meerlen commented that Granite Cityans are paying for water that wasn't fit to drink and that at his house the faucets were left open in the hope the bad-tasting water could be run out of the system. He suggested the city inspection department get samples immediately when the situation arises and send them to a laboratory for testing.

"We're going to have to take action, instead of just talking after it happens," Johnson stated. Allen said he would research the possibilities for legal action.

The city, at the suggestion of Alderman Fry, will seek a detailed report of last week's water condition from the state board and also the water company.

Mayor Partney told the council he had received a number of telephone complaints, and was advised by the water company that its chemists toured the river between the Chouteau Island intake and Alton and were unable to find the source.

Reservists Rights Bill Passed in U. S. House

A bill proposed by U. S. Rep. Melvin Price to protect rights of reservists was passed in the House without objection Monday afternoon.

The bill, yet to be acted upon by the Senate, guarantees that reservists recalled to active duty during emergency callups will retain their old jobs upon their return from service. Price said the action has come at an opportune time because of the recent callup of a large contingent of Army and Air Force reservists.

TRIBUTE TO SERVICEMEN on Mother's Day at Hope Lutheran Church being planned by Rev. F. E. Schultz and left to right—Mrs. Gerald Slattery, whose husband is in Korea, Mrs. Albert Misselhorn and Mrs. Paul Simon. In background is poster of pictures of servicemen from Hope.

Mothers and Servicemen To be Honored at Service

A special service on Mother's Day will be held at Hope Lutheran Church with all the families sitting together and with all mothers receiving a memento when they enter the church. This memento will consist of a recording from Vietnam.

During the service, a special offering will be gathered for the young men from the Lutheran Church who are in the armed forces. This offering will be used to send them prayer books and other devotional literature and to make them aware of the interest and concern from the church back home.

The following are the servicemen from Hope Lutheran who are serving in the Armed Forces at the present time: Gary Criley, son of Mr. and Mrs. Robert Criley and husband of the former Patricia Schuber; Gary Druessel, husband of the former Janet Ruske; William E. Getz, husband of the former Linda Turner; Edward Frank Gregory, Howard E. Gregory, son of Mr. and Mrs. Howard Gregory; Kenneth Halbe, son of Mr. and Mrs. Norman Halbe; W. Todd Hundley, husband of the former Patricia Turner; Alvin Kayser, son of Mr. and Mrs. Edgar Kayser; Michael Krause, son of Mr. and Mrs. J. R. Krause; Arthur E. Miller Jr., husband of the former Shirley Lungwitz; Lynn Mitkos, son of Mr. and Mrs. Leslie Mitkos; James Mooney, husband of the former Sandra Mitkos; Michael T. Mounce, son of Mr. and Mrs. Joseph Singer; George W. Ross, son of Mr. and Mrs. Emil Ross; David Sander, son of Mr. and Mrs. Elroy Sander; Charles Robert Simon, son of Mr. and Mrs. Paul Simon; Gerald Slattery, husband of the former Patricia Hoffman.

This service is under the direction of the pastor, Rev. F. E. Schultz, and will begin at 10:30 with the public invited.

A special poster has been prepared with pictures of servicemen of the congregation placed around a picture of Christ. The servicemen's addresses are at the bottom of each picture to give the members an opportunity to write to them.

Special Services Sunday At Niedringhaus Church

"Why So Many Marriages Succeed" will be the sermon theme at Niedringhaus United Methodist Church Sunday morning. Rev. Sims will deliver the sermon in honor of Mother's Day, observed in the church as the Festival of the Christian Home. Anthems for these services at 8:30 and 10:40 a.m. will be sung by the youth choir and the chancel choir, directed by Warren G. Simpkins.

Marvin Van Metre, lay leader, will deliver a brief message as a part of the special emphasis on the Stewardship of Time and Abilities. This special program is being coordinated by the Stewardship committee under the direction of Raymond L. Bentley, chairman, and will continue through the month of May.

An auto driven by Thomas N. Fea Jr., Rural Route Two, struck the right front fender of another driven by Jesse L. Berry, 4533 Walter avenue, at 6:30 p.m. Tuesday in the 3000 block of Madison. Fea said he was unable to see because of a number of parked cars.

Auto Glass Broken
Ernest Fehrman, 3107 Rodger avenue, reported at 8:30 a.m. Tuesday that the glass was broken out of his 1949 auto while it was parked at his home the previous day.

700 at Scout Camporee Explore Illinois' 150-Year History

Over 500 Boy Scouts and 200 adult leaders from the Uniwah (Quad-City) and Kickapoo (Bond county) districts participated May 3-5 at Pere Marquette State Park, Grafton, in a spring camporee highlighted by an Illinois sesquicentennial theme. A 150-year flag was placed over the camporee entrance.

With a goal of "Rediscover Illinois," the gathering heard presentations by six speakers and also perfected camping skills.

Frank Joachimstahler of Collinsville spoke on Indian life and displayed a variety of Indian apparel, while Roy Lynn of Granite City related legends and anecdotes of the life of Abraham Lincoln.

Charles Rayburn, assistant Madison county farm adviser, reviewed agricultural history and played an early victrola utilizing a cylindrical record. Charles McMackin discussed the capture of the fort of Vincennes by Capt. George Rogers Clark, Brockport, Bates of the Illinois Parks and Waterways Information Service presented photographic slides on state recreation areas, and James Patrick traced the growth of industry in Illinois.

At the Saturday evening campfire, Joachimstahler played a guitar and sang ballads relating to the early history of the state. As development leading to statehood were given, David Hill, president of the Alpha Phi Omega service fraternity at SIU-SW, portrayed the chief of the Kickapoo in praying for peace and happiness.

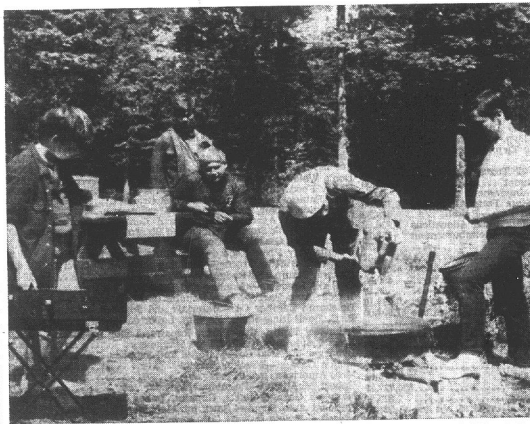

Kiwanis Club Hears Drug Abuse Details

Joseph McBride, who has been associated with the Drug Stores for the past 13 years, was the guest speaker at the Granite City Kiwanis Club Monday at the Rose Bowl. He spoke on drug abuse using the topic "The Good News and The Bad News."

The "good" side of the subject he told the group, was the fact the U. S. drug industry leads the world in the development of new medicines and from 1940 to 1966, and \$23 million new drugs were made available in this country. During those years, the death rate per 100,000 population dropped from 45.9 to 4, whooping cough, diphtheria and scarlet fever to almost zero. With new drugs such as tranquilizers this reversed the trend of hospital patients in mental hospitals; with preventive medicines increasing the life expectancy by almost 10 years, and making the added years healthier ones.

In speaking of the "bad" side, he said people are misusing and abusing some of the miracle drugs. In some instances the abuses are very dangerous and presenting a real problem. The unfortunate part of the story is the abuse by young people, particularly with the use of unapproved drugs such as amphetamines, barbiturates and hallucinogenic drugs. LSD is probably the most serious misuse of all with the serious after effects of those using the drug.

Sixteen members attended. Mike Tondas, president, presided at the business session and announced that on May 20 the club will go by bus to Bush Stadium.

LURE OF THE OUTDOORS attracted over 500 Boy Scouts and 200 adult leaders to the 1968 spring camporee. Pictured (left to right) are Scouts Mike Stevens, Herb Cain, Mark Mizarski, Dave Daniels and Fred Shelton. Patrol camping was used, and the camporee theme was the 150th anniversary of the state of Illinois.

Benjamin Isehardt presented the history of the Cahokia Mounds, and William F. Hoel, manager of the Manufacturers Association of the Tri-Cities, served as camporee chairman.

The camporee staff included John Pekarik, Uniwah activities committee chairman; Fred Hacke, Uniwah camping chairman; Edward Lorton and Russell Knight, camporee registrars; Cahokia Mound Council

Vice-President Rollin Henn; and Oliver Gilmore. Explorer Post 12, sponsored by the Niedringhaus PTA, served as camporee service post, led by Advisor Wilbur Shelton.

Three Cash Scholarships Awarded by GC Teachers

Granite City Federation of Teachers Local 743 presented three cash scholarships of \$200 each to local students during a meeting Wednesday afternoon at Coolidge junior high school.

Recipients are Patricia Patton, daughter of Mr. and Mrs. Donald Patton, 2624 Adams street; Russell Borth, son of Mr. and Mrs. James Borth, 1524 Joy avenue; and Christo-

pher McCarthy, son of Mrs. Ruth McCarthy, 2101 Glen drive. Miss Patton plans to attend Southern Illinois University at Carbondale and Borth plans to attend SIU-Southwestern. McCarthy currently is a sophomore at the University of Illinois at Urbana.

The awards were based on need and ability, according to Harry Lane, chairman of the scholarship committee.

Cub Pack 20, Den 4, Tours Press-Record

Touring the Press-Record facilities Monday afternoon were members of Cub Pack 20, Den 4, sponsored by Webster school PTA. The Den mother is Mrs. Betty Wardruff, and the assistant is Mrs. Wanda Ponder.

Members of the pack making the tour Paul Wardruff, Pat Ponder, David Harriss, David Brigham, Jeff Harriss, Sam Sartin, Randy Foster, Robbie Lynch, John Hillberry and Kevin Watkins. Guests were Kevin Wardruff and Julie Ponder.

All GC Township Funds Show Balances for May

Monthly reports by Granite City Township Supervisor Nelson Hagnauer showed balances in all three township accounts at the end of April, including \$21,649 in the general assistance fund, \$27,968 in the town fund and \$453 in the Illinois Municipal Retirement Fund.

The reports were accepted Monday night by Granite City council members meeting at the town board of auditors. Current expenditures also approved by the board totaled \$3373 from the town fund and \$4645 from the general assistance fund.

Mrs. Pearl Davidson, 82, Dies at Colonades

Mrs. Naomi Pearl Davidson, 82, of 2903 Edwards street, died at approximately 2 p.m. Tuesday in the Colonades Nursing Home. She had been in two years and a patient at the nursing home the same length of time.

A 58-year local resident, Mrs. Davidson was born in Calhoun county, Ill. She was a member of the Central Christian Church, Gabriel Shrine 78, White Shrine of Jerusalem, and the Order of the Eastern Star. Her husband, Le Davidson, died in 1957.

Mrs. Davidson is survived by one son, Maynard Davidson of Granite City; one brother, Kenneth Harpel of Alameda, Calif.; a sister, Mrs. Clara Baron of Orange, Calif.; two grandchildren and four great-grandchildren.

Funeral services were held at 2:30 p.m. today. Details are given elsewhere in this issue.

Mrs. Clara Wendel, 65, Dies; 42-Year Resident

Mrs. Clara Aemil Wendel, 65, of 22 Del Rio drive, a former St. Elizabeth Hospital employee, died at 2:55 p.m. Tuesday at the local hospital, where she was a patient 2 1/2 months. She had been ill two years.

A native of Catawissa, Mo., Mrs. Wendel had resided 42 years in Granite City. Prior to retirement three years ago, she was employed 13 years in the kitchen department of St. Elizabeth Hospital.

Mrs. Wendel was a member of St. Elizabeth's Church. Her husband, Leonard, died in 1948. Among the survivors are two daughters, Mrs. Leona (Frances) Robbers and Mrs. Tony (Dorothy) Burch, both of Granite City; three sons, Frank of Edwardsville, Leonard of Granite City and Hubert Wendel of Imperial, Mo.; and ten grandchildren.

Funeral arrangements are given in today's obituary column.

Mexican Consul to be Here For 'Cinco de Mayo Festival'

Miss Ana Marie Bartning, Mexican consul of St. Louis, will be the special guest of honor at the annual "Cinco de Mayo Fiesta," to be given by the Mexican Honorary Commission of Granite City at 8 p.m. Saturday, in the Venice-Madison American Legion Dugout, 740 Broadway, Venice.

The fiesta is open to the public and tickets, at \$1.75 for adults and \$1 for children, are available in advance from commission members or may be purchased Saturday at the door for \$2 each adult attending. Steve Ortiz, commission president and fiesta general chairman, announced today.

Ruben Mendoza will serve as master-of-ceremonies for the celebration, which commemorates the 106th Anniversary of the victorious "Battle of Puebla" in 1862 achieved by the Mexican freedom fighters. Those attending will see dancing to Latin-American music and may partake of a variety of Mexican food, Ortiz said.

Assisting the general chairman are committee heads: Olelia Antoff, artistic group; Joe Becerra, bar; Dan Brown, tickets; Norma Mendoza, decorations; Antonio Lopez, food; and Hank Lopez, publicity.

About 45 local youngsters will perform traditional "south of the border" dances, sing a variety of Mexican songs and play instruments associated

with Latin-American music, Ortiz explained.

The youthful performers and the numbers they will present, include:

"Chapaneas"—Della Antoff, Laura Garcia, Monica Grim, Julie Mendoza, Sarita Garcia and Karen Simpson; "La Cucaracha"—Kathy Antoff, Ellen Brown, Kathy Ortiz, Lynn Ybarra, Ronnie Goldschmidt, Wesley Grim, Raymond Lopez and Juan Jose Ortiz.

"La Nortena"—Becky Alvarado, Liza Garcia, Mary Louise and Rosie Jaime, Debbie and Tom Finley, Vicki Valencia, Robert Galian, Michael Hill, Toby Lopez, Richie and Rickie Serrano, Domingo and Sammy Valencia.

"Las Raps"—Jackie and Paula Bogusian, Jo Ann Ortiz, Phillip Jaime and Danny David Mendoza; "Huapango"—Della Antoff, Laura and Sarita Garcia, Karen Simpson, Gary Alvarado, Monica Grim, Julie Mendoza, Jose and Tono Valencia, Henry Garcia, Donnie Goldschmidt and Steve Ortiz.

Also to be presented is the "Canciones Mexicanas," with the grand finale, a "Mexican Hat Dance," performed by Mollie and Roy Valencia.

Mrs. Mary Scanlon will initiate the program by singing the National Anthems of the United States and Mexico, and the Mexican Consul, Miss Bartning, will be introduced by the commission president.

1968 MASQUER OFFICERS installed recently are, left to right—John Mefford, treasurer; Mrs. Mildred Hoelscher, president; R. Michael Odell, vice-president; Rogera Davis, recording secretary, and Earl Parsons, parliamentarian.

Behind the Iron Curtain Film to be Shown

"Through Blood and Fire," a film distributed by Underground Evangelism of Los Angeles, Calif., that tells the story of the struggle of evangelical leaders behind the Iron Curtain will be shown at Mt. Zion General Baptist Church, 21st and Benton streets, on Wednesday, May 15, at 7:30 p.m.

Rev. Fred Latch, pastor, said, "The film tells of the persecution, the means of communication, and the results of the people's struggle to maintain their freedom and their belief. There will be no admission charge but a free will offering will be taken, the whole of which will be sent to the Underground Evangelism, for work behind the Iron Curtain. The public is invited to attend."

Two Fined \$210 Each

Taxes in Escrow Since '46 Divided among GC Agencies

An escrow tax fund dating back 22 years is being distributed by the office of County Treasurer John Maeras, who said the money "has been lying around a long time and it is time we got it off the books."

The fund totals \$12,469 and is made up of taxes paid by Granite City taxpayers to redeem real estate property involved in foreclosure filed for the 1946 tax year. Maeras explained that foreclosures can be filed after taxes on real estate become delinquent, and that taxpayers have a certain period of time in which to redeem the property by paying the tax bill and court costs.

Alderman Paul Rutledge, chairman of the city council's Finance committee, told the council Monday night that he had been notified by Maeras' office that Granite City has coming the sum of \$339 from the 22-year-old escrow fund. The treasurer's office requested the city adopt a resolution accepting the distribution figure as established by the treasurer's office.

Maeras said distribution of

the money, divided among Granite City taxing agencies on the basis of the 1946 tax rate, will include the \$339 for the city, \$4392 for the school district, \$991 as the county's share, \$2064 to the levee district, \$779 for the Granite City park district, and \$921 to Granite City township.

The city council referred the matter to City Atty. Richard Allen for preparation of necessary legal documents to claim the city's share of the money. Maeras said he doesn't know why the money has been around so long. He took office in December 1966.

Candidate Says Gun Law Unconstitutional

Terry W. Francis, candidate for state representative in the Democratic primary, said today he believes gun registration legislation enacted by the State is unconstitutional and said he would personally file suit to test its constitutionality, if the group sought his services.

Francis cited a recent Supreme Court decision in regard to the registration of gamblers to support his contention, and said he would favor enactment of gun legislation similar to that being considered by the Federal government.

He said that as an attorney he had dealt with many teenage thugs and that he believes the ease with which they have been able to obtain weapons has contributed largely to the crime problem.

2000-3000 Art Works

'Acre of Art' Show Monday At GCHS Memorial Gym

The annual "Acre of Art" show will be held in the senior high school Memorial gym on Monday from 6 to 9 p.m. under the direction of Eugene Alassi, art education consultant of the Granite City school district. This now is sponsored by the Area Council Parent-Teacher Association.

Sample art work from all the schools will be selected by the teachers of all grade levels and will be displayed by the school name.

From 2000 to 3000 pieces of art work are expected and will include all medias, water color, tempera, pen and ink, pencil, oils, pastels, welding, ceramic sculpture, wood and paper sculpture.

The public is invited to attend the show, with no admission to be charged. A donation may be made to the Area Council PTA Art Scholarship Fund which will be given to a art student on the high school level to further art education.

The school-wide show annually attracts thousands of persons.
